

Canada's Task in 1920

The world can get along without many things, but it cannot get along without food, and particularly those of food which Canada is especially adapted to produce: namely, wheat, corn, butter and eggs. The world needs food just as badly as it needs the other things. It is the task of Canada to produce food for the world. Canada is not only a food producer, but a food exporter. It is the task of Canada to export food to the world. Canada is not only a food producer, but a food exporter. It is the task of Canada to export food to the world.

READ EVERY WORD—The present unsettled condition of the markets, advancing Prices and scarcity of wanted lines does not warrant selling ANY MORE MERCHANDISE AT A SACRIFICE just now. BUT in accordance with well known policy, selling EACH SEASON—THE MERCHANDISE THAT WAS PURCHASED FOR THAT PARTICULAR SEASON—we now stage our 1928 January Clearance Sale. We have turned over our entire \$15,000.00 Stock of Dry Goods, Men's Wear, Shoes, Etc., to Mr. E. B. Bisset, General Manager, General Merchandise Company, of Canada, Edmonton, Alberta—with orders to MAKE A SPEEDY CLEARANCE of all winter merchandise, and every yard and article in the store will bear a generous price reduction that will aid in the liquidation of the stock. The original prices remain on the goods unsold, and Yellow Sale Price Tickets show the sale prices and the savings. You can't afford to pass up this "Clearance Call of Economy". Manitoba Elections in July

Term of Provincial Government Will Expire on August 8.
Winnipeg.—Hon. Edward Brown, provincial treasurer, states that the Manitoba provincial elections will probably take place the third week of next July. The term of the provincial government automatically expires August 8, 1920.

Mr. Brown declared that the election lists will not be revised until the first week in July, and it is necessary for at least seventeen days to expire between that time and the day of election.

the harvest season, therefore, the latter part of July is the probable time for the election."

Unless some unforeseen circumstances crop up, said Premier T. C. Norris, July 25 will likely be the date. The last election was held in 1915.

 Gen. Jan Hanchen Has Good Word
 for Von Soden

London, Jan 29.—The London, in a letter to the Times, declared himself
 opposed to punishment of Fritz Ma-
 ritz, the German-born "Soudan" who
 was convicted of the Turkish murder
 of the Russian ambassador, Dr. Treppe.
 "I say they are not to be tried,"
 he wrote. "The German field marshal
 who was convicted for trial by the
 Turkish Government, was a French
 subject."

"I feel sure, I speak for the troops
 who fought with the Frenchmen when
 I say they are not to be tried," he
 wrote. "He was a clean fighter and
 slayed his foe during one of the fiercest
 battles of the war. He has killed more
 French soldiers than English ones."
 "I am not at all opposed to the German
 soldier who is a hero in his own
 country."

LOCAL AND PERSONAL

A. J. Whitty was a Calgary visitor during the week.

The telephone gang have been busy installing new lines.

Ed. Hamilton, left last week on a trip to his old home in Norway.

N. J. Holt conducted another one of McLaughlin's returning day.

O. L. Davidson returned from an extended trip to points in the United States.

A Pipe arrived from England last week and will make his home in this district.

Harry House has been very ill the past week, but is somewhat better at present.

Miss Hammer, of Stettin, spent the week with her mother, Mrs. Stettin and Mr. and Mrs. George Hammer.

Heavy cable and four large hauls of a large number during the past few weeks, hardly a family escape.

R. Proben, of Mirer, was up during the week in connection with the removal of his wedding business to this point.

Mr. and Mrs. Wm. Patterson, leave this week for Saskatoon at which point Mr. Patterson will go into partnership in the opening of a general store. During their short residence here they have made many friends who will regret to learn of their departure but who will wish them every success in their new home.

We have invited to inspect the quarters of the Merchants Bank staff just recently, or rather during the cold spell, where Messrs. Calmes and Boyd selected the coldest day with the idea of making an impression on the staff, but if such was the case they surely succeeded. The rooms are both commodious and beautifully furnished with every convenience a desired. There are four beds in each of the two rooms, and a bath room along with the latest plumbing and electric fixtures. The staff of the bank is also very comfortable. The staff of the bank is also very comfortable.

Overseeding lawns. BEANS ARE SCARCER NOW

When eggs begin to scarce in the market do not begin to get as early as they should. poultry feeders begin to feed the birds judiciously under the impression that the more food they are given the sooner they will commence to contribute to the egg basket.

It may be that the birds are already too fat internally, and by adding an additional supply of food to the daily menu often increase the mischief. It is easy to overfeed, especially if you have a flock of four or a brood of chicks that can devour to do well by.

It is a well known fact that the young chickens and adult fowls succumb to troubles traceable to overfeeding than to any other cause, all because the overfeeding is not attended with misanthropism, because, food is often, and with food too rich and stimulating.

When fowls are allowed large quantities of soft feeds with the object of forcing eggs, such feeds, instead of increasing laying, tends to create fat and the birds become fat.

There is not much danger of this with grain, especially if the overfeeding is in the form of feed is adopted.

The whole crop of seedling, especially those of the first year, are susceptible to a "green" blight. It is quite within the scope of every poultry keeper to attend to these matters and to keep their fowls in the shape of a well fed flock.

When you spend a few minutes in the company of a good-looking actress, you may find her a little more than a little bit of a "babe."

Subliminal Coad
During 1970, about 100 of what is produced from 500 million "babe" pictures, as well as 100 million of the previous year's. About 100 million are employed last year as well as 100 million of the previous year's. The same is true of the 100 million of the previous year's.

For some reason, you may find the girls quite different.

A Nervous Wreck
By DR. B. G. GRATIA.

How many bushy ones did fugged up, nervous, with a "soggy brain"—more out completely before the day and the day tomorrow takes are half over. Try the right way! Cope the body firm. That will help your nerves, your head and your circulation—your nerves will

tell you that anything
 from a headache or a
 allowing food to ferment in the intestines. Don't give the
 body a chance to absorb the poisons. Remove the food
 from the system and give the tissues of the body aid
 to resist disease by taking an occasional laxative such as
 castor oil, or a mild cathartic such as the fruit of the
 mild diet by most druggists as Pears or Pleasant Pellets.
 The kidneys and bladder suffer from the wear and tear,
 and we get indigestion, headache, backache, nervous
 headache, painful voiding of water—solid, heavy feelings,
 and a general feeling of weakness, and a general feeling of
 uneasiness, and consequently when the uric acids are de-
 posited in muscles and joints one suffers from lumbago (pain
 in the back).

Nothing will act as nicely as "Aurine" (anti-uric acid),
 a recent discovery of Dr. Henry as the body can be had at all
 druggists. It is a very mild cathartic, and it acts on the
 bladder and kidneys—rendering them antiseptic and
 healthy. It is a very mild cathartic, and it acts on the
 stomach, and the body is put into a clear, healthy state.

Leather Goods

Our "WILLIAMS SHOES" for Spring are now in stock and we invite your inspection of them at your convenience.

These are all Solid Leather Shoes, double toe caps, leather counters, reinforced sewing, number one stock of leather used, complete range of sizes for Men, Boys, Women, Girls.

We guarantee these shoes to give satisfactory wear provided they are taken care of. What we mean by this is that the shoes be given a fair share. In order to do this do not let them be dried too fast from excessive heat after being water soaked and when they are dry give them a good dressing of good leather oil, not acid oil, in order to keep the leather smooth and pliable. Give your shoes the necessary care and you will have any trouble whatever and you will thereby save money and reduce your shoe bill for the year.

VETERANS HOLD REGULAR MEETING

Regular Meetings and Other Business Transacted

Minister of a regular meeting of the Bashaw Veterans G.W.V.A. held in Club Room Wednesday, March 18th, 1920.

Moved by Com. Curtis, seconded by Com. McNeil, that minutes of the two previous meetings be adopted as read.

After some discussion, Mr. A. Drysdale, who was present by invitation, agreed to have published as a signed statement to the effect that if any veterans made by him might be misinterpreted as being insulting to any returned man, and the condition of the meeting agreed to accept this.

President Stetson then gave report of his meeting with representatives from Mirror, Albi and Dalhousie, when Com. Campbell of Dalhousie was elected delegate to represent the above-named divisions at the 10th Annual Convention.

A vote by Com. Curtis, seconded by Com. P. W. Wilson, that the report be taken by Pres. Stetson with regard to delegate to the 10th Annual Convention be approved.

Following resolution moved by Com. Curtis, seconded by Com. P. W. Wilson, that the report be taken by Pres. Stetson with regard to delegate to the 10th Annual Convention be approved.

ELECTRIC LIGHT BYLAW CARRIES 76 BY MAJORITY

Vote Was 71 For to 1 Against
The Granting of Franchise
Lights by July 1st

There was no mistaking that the citizens of this town want the "inter" as reflected in the vote on the granting of a franchise to furnish electric light and power to the village which carried at the poll held on Friday last by 71 to 1 or a majority of 70 votes out of a total possible vote of about 100.

When returning officer, Philip deLoraine, the poll closed and counted the count. It was just one long procession of x's for the by-law and when the count against it came up it either broke the measure, but even it was regarded as a mistake.

Contracted V. McCarthy was in charge of the count and was quite satisfied with the result, to use his own words, "it's now up to me." And as he states he will have to put it to the voters, it is a matter of a few days before the result will be known.

It is a good and a family move.

"ARE YOU IN FAVOR OF THE ABOLITION OF THE IMPORTATION OF LIQUOR?"

This is the wording on Which
The Town of Bashaw is Voting

During the debate on the much debated liquor question in the provincial house, Premier Chas. Stewart gave out the following with regard to this question: "By the act under which the coming prohibition on the subject of the importation of liquor will be held, that prohibition will be held for three months of the year, that it is asked for. I hope that everyone who has the franchise will exercise it on that date as I intend to exercise my franchise."

"The prohibition will be worded: 'Are you in favor of the abolition of the importation of liquor?' continued the premier and added: "To my mind, that means that if I want the prohibition of liquor for beverage purposes, then I will vote for it. If, on the other hand, a man does not want prohibition, but wants to have a liquor for beverage purposes, then he will vote against it."

"I believe the question is clear, that the question is whether you wish a liquor for beverage purposes or only for medicinal purposes, and if the people vote against a liquor for beverage purposes by a large majority, then this government must take steps to see that their will is carried out."

"Does the Premier mean," asked Chas. Stewart, "that the government will import liquor for medicinal purposes?"

"I am not sure," replied the premier, "but I believe it is a possibility."

BUILD BEFORE SEEDING

Before spring work demands all your time, how about your farm buildings? How about the sheds for machinery, barns? Are you prepared to take care of most fall's crops?

And **Seeding**—Better get out of the way now. Don't be a building nut just out of the field next autumn. Now is the logical time to lay before the building season. It is the best time to get the millinery very low. Once the building season opens up there will be a great deal of work for all concerned in the fall.

Get everything in lumber that you will need, including Greenhouse bays, the handy wall and ceiling materials, the best brick, cement, plaster, etc. We will be glad to give you estimates on your requirements and also help you to get the best prices on all your time.

TAX INSPECTOR'S WARNING

"The Income Tax Act, 1917, as amended, provides that every person required to make a return and who failed to do so on or before 30th April shall be liable to a penalty of \$25 per cent. of the amount of tax payable."—Inspector of Dominion Taxation, in sending out to all taxpayers in Alberta, the notice further states that the amount of the return, while the prescribed time is running, is not to be considered as a return, and the taxpayer "with out any notice or demand by the Department."

"It is the aim of the department to administer the Income Tax Act as equitably as possible," writes Mr. Chenevix-Trench, "and this can only be accomplished by inducing returns from and assessing all persons who are liable to the tax."

All unmarried persons, widowers without dependent children whose gross income exceeds \$1000, and all married persons, widows and widowers with dependent children whose gross income exceeds \$2000 are required to make returns.

Every income-producing company whose gross income exceeds \$1000, and all married persons, widows and widowers with dependent children whose gross income exceeds \$2000 are required to make returns.

Four per cent. will be charged on all income between \$1000 and \$6000 in the case of unmarried persons or persons without dependents, and on all income between \$2000 and \$6000 in the case of all other persons. A tax of eight per cent. is placed on all income over \$6000, while a graduated system is levied on all income exceeding \$6000. The rates are as follows: on one per cent. to 60 per cent. of the gross income. Any person whose income exceeds \$10,000 a year will be charged 10 per cent. of it in the Dominion Government.

One Very High in Ontario
Next winter's hard coal supply will cost Ontario at least \$17 per ton according to statement by Paul Commissioner, H. A. Harrison. The prevailing price is \$14; the minimum demand is \$10; the maximum, \$20. The price for the railway companies dealer must have another 11 per cent. for haulage, and coal dealers have to make nothing at the present retail price. The Paul Commissioner also agrees with an opinion that Ontario will face the end of the coal road. He foresees a condition which will bring about a coal famine. The price of coal will be \$17 per ton, or \$18 per ton, or \$19 per ton, or \$20 per ton, or \$21 per ton, or \$22 per ton, or \$23 per ton, or \$24 per ton, or \$25 per ton, or \$26 per ton, or \$27 Save the Surface and You Save All

At the present high prices on lumber you cannot afford to waste material in building, so why allow your buildings to deteriorate by leaving them exposed to the weather unpainted, after they are built.

By painting you can not only save the surface, but can add considerable to the value of your buildings by the fresh, clean, new look which paint such as the **Martin Senouir 100 per cent. Pure Paint** can give.

When painting make purity your standard and see that the paint is guaranteed just as the **Martin Senouir 100 per cent. Pure Paint** is.

GUARANTEES—We guarantee M.S. 100 per cent. Pure Paint (except inside white and a few dark shades that cannot be prepared from lead and zinc) to be made from pure white lead, pure oxide of zinc with coloring matter in proportionate quantities necessary to make their respective shades and tints with pure linseed oil and turpentine dyes, and to be entirely free from water, benzine, whiting and other adulterations, and sold subject to chemical analysis. The Martin Senouir Co. Limited.

FOR INTERIOR FINISH AND DECORATING

For inside the home work stock the well known "61" Floor Varnish, also Pratt and Lambert's Oil Stains and a full line of floor paints, enamels, etc.

35-CENT SUGAR IN U.S. IN PREDICTED THIS YEAR

"Sugar in the United States is going to be 35 cents a pound within the next few months," said a well known expert while in Edmonton this week. It was shown that the eastern wholesaler's price at this time was \$20.62 per 100 pounds and at this figure a certain amount of yellow sugar must be purchased. The present heavy demand on the sugar supply was directly attributable to the enforcement of prohibition in the United States and Canada, according to the visitor, who declared that a certain amount of sugar was essential to the individual whether he be a visitor or a resident. The demand was practically world wide and the fact that raw sugar was commanding such a price on the New York exchange pointed to a rapid increase shortly.

Crushed sugar on the Edmonton market remains at the same figure of \$23 to \$23 per 100 pounds. The price has been steady for the past two weeks. It is not known what amount of sugar is available at this price, but when the present supply is exhausted the new price will undoubtedly show a sharp rise. But the shortage of sugar at this time will most likely work a hardship during the frost season.

Crusky Easterners

A very interesting meeting was spent at the house of Crusky last Saturday, it being the first of the series of meetings invited by him to his friends in order to have a good time.

The afternoon was spent with the best of the evening and a good time was had by all.

HIGH PRICES INEVITABLE FOR YEARS TO COME YET

(Ottawa, May 3).—The disintegration of the whole economic position of Europe due to the war is reflected in the rise in prices which is the result of the source of universal discontent among the people, belittling and neutral aids, says a declaration on the economic conditions of the world, approved by the supreme council on March 8th, and tabled in the house of commons this afternoon by Sir George Foster.

"High prices are the inevitable result of the war," the declaration states, "and in comparison with past years, the present situation is far from abnormal. In the Napoleonic wars, prices in England rose twenty-five per cent, and took eight years to become normal again."

"In the American civil war prices rose 100 per cent in twelve years or more to become normal."

RANKERL CLYD ORGANIZER

ARROW DAY POSTPONED TO TUESDAY MAY 12th

Owing to the snow storm of Saturday and Sunday it has been decided to postpone Arrow day from May 4th to May 12th.

The action of the council in offering prizes for the best kept yards is having its effect and one notices a decided improvement at many points in the village. Keep the good work going and we will shortly have the cleanest as well as the best town on the T.P.

BUILD BEFORE SEEDING

Before your seed comes all year, your soil is being built up. How about yours? Should you be building? Yes! Are you prepared to take care of it? Yes! And building—better get that out of your mind. Don't be building long before you get the seed. The seed is the legal time to buy before the building season starts. Remember that all the seeds are very dry. Once the building season opens up there will be a rush for seed from all sections. Prices are naturally affected by the demand.

Be sure everything in your seed will be, including the grain, the hull, the seed and the seedling. The seed is a living, growing thing. It will be glad to give you estimates on your requirements and also help you with the work. Phone or call in any time.

Irrigation in Middle East
The Medicine Hat Board of Trade has been actively engaged in the formation of two new irrigation districts in the south-western corner of the province, where the lands affected lying to the south and east of the town and comprising some 15,000 acres of irrigable land. Surveys have been carried out, plans have been prepared and the project placed before the provincial government.

VILLAGE RATE 38 MILLS; SCHOOL 12

Ten Notions for 1920 are Now Being Sent Out

Tax rate for the Village for this year has been set at 38 mills while that of the school for the current year is 12 mills on the dollar, tax notices are now being sent out.

There is very little difference in the rate for this year as compared with that of last, in the case of the Village there is a drop of two mills, while the school remains the same as a year ago.

But on the other hand there is a decided increase in the assessment, more so in respect to the school than to the Village, in the case of the latter the assessment was raised ten per cent, while in regard to the school the assessment has been lower than the Village, it was raised to the same level, that is between ten and fifteen per cent over the assessment of last year.

However, the increase has not been looked for and certainly it is called for in the case of the school as the village by the way is at the present time too small to accommodate the pupils attending by means of the increase after the school.

Quite a number from town spent the holiday at points within the district, but few taking chances on travelling far, due to the rain.

Ten Notions for 1920 are Now Being Sent Out

Tax rate for the Village for this year has been set at 38 mills while that of the school for the current year is 12 mills on the dollar, tax notices are now being sent out.

There is very little difference in the rate for this year as compared with that of last, in the case of the Village there is a drop of two mills, while the school remains the same as a year ago.

But on the other hand there is a decided increase in the assessment, more so in respect to the school than to the Village, in the case of the latter the assessment was raised ten per cent, while in regard to the school the assessment has been lower than the Village, it was raised to the same level, that is between ten and fifteen per cent over the assessment of last year.

However, the increase has not been looked for and certainly it is called for in the case of the school as the village by the way is at the present time too small to accommodate the pupils attending by means of the increase after the school.

Quite a number from town spent the holiday at points within the district, but few taking chances on travelling far, due to the rain.

Mr. and Mrs. Ed. Rammer spent a few days in Edmonton the past week.

Efforts are being made by the local ball players to have a game with Triathlon on May 24th.

S. E. Evered is moving his drug stock to the new store in preparation for the opening.

Commencing with this coming Saturday the Lyric theatre will run a regular Saturday matinee.

H. Houser returned from the west where he had been under a slight throat operation.

There was a rumor current on the streets during the week that a fight between two going to be held here.

Alta Creamery is opening a new branch here and they will make the sixth creamery branch for Bashaw.

Marj Whittemore this week purchased the battery business from Porter & Wheeler and has located same in the rear of Holt's.

The brick work on George Rammer's store was completed on Friday last and promises a most attractive appearance.

We understand Mr. and Mrs. W. W. Scott intend to move into town shortly and will occupy their residence at the foot of Bashaw Ave. Billy Scott will take over the farm.

Wheat Stores Must Be Reported

Commission Will Demand Documents Return From All Licenses

Wheat — A new regulation, announced today by the Federal Grain Inspection Corporation, requires that all licensees of the board report the amount of wheat on hand at their plants or elevators at least once each month.

The regulation also provides that licensees must make delivery to the board of all wheat purchased by them from the board's reserves before August 15, at store at public terminal elevators located at that time.

Wheat — The regulations are part of a new program to control the distribution of wheat and wheat products, which was announced by the Federal Grain Inspection Corporation in a statement today.

Perspectives: Paper vs. Digital Discovery in Montreal.

The Pro. Man. — With a glossy seal job and a few other touches, Mr. Turner, former editor of the Canadian Mining Journal, has returned to his home town of Montreal, where he reports to a plentiful number of friends, that he has been in the good and the much on the boards of the file. He states that a number of the board members have not been on the board for some time, but that there has been no change in the board for some time. He states that the board has been known for some time to be in New York and Toronto.

Donald Lumber Company, and Mayor Craig, of Toronto, have left here for the amber fields.

Proven Methods of "Mining" Soil Will Lead West to Disaster.

Winnipeg — Warning against the "mining" of Canadian prairie lands by "get-rich-quick" settlers who plant abundant crops for a few years and then desert, leaving the land in a state of barrenness, was sounded at the conference here of the commission on conservation of the prairie.

The fate of this nation depends chiefly on the fertility of its soil, declared Prof. Hanson, and our sons are learning to prize their strength in organic matter and soil energy. We must seek immediately

to address on "Choice of crops and Soil Evidences," argued most effectively by Dr. Hanson, who said that "the" through lack of proper fertilization. Improvement needed in soil conditions in Canada was stressed by H. E. Newman, Ottawa, secretary of the Canadian Seed Growers' association.

"Canada," he said, "requires an average about 10,000,000 bushels of wheat to store and plant her fields."

Country's Exports May Exceed Imports Before End of Year

Belgium is making rapid recovery from German depredations: commerce in the world was. At the close of the war was 2,000 kilometers of railroads, 1,000 bridges, 600 kilometers of cable, telegraph, and telephone systems; a third of the factories of the country had been destroyed. Recovery has been proceeding steadily since the armistice, and Edouard Fraenkel, the Belgian minister of state, writing a magazine in Wall Street, states that the railroads, telegraphs, and

For World Power

A company of German troops in Berlin who were sent to salute the flag at the French embassy then saluted the flag and then broke into singing the famous war song that was specially intended to express the idea that Germany was going over all. The crowd in the streets took up the song and something of a demonstration occurred. The troops, by the way, had been sent to salute the flag in order to make official acknowledgment of the armistice of a truce a few days before on leaving down the river from the embassy staff.

phours have been almost entirely phased out. The canals are navigable and many industries have been created. Already, coal production is a higher than in 1911, reaching 10 per cent of pre war output in the first of April last. Trains and coal production are gradually being returned to normal and plate glass work is full operation. The progress is an advance in the steel construction plants.

It is useless, of course, to expect that the German people could recover from the feelings which made the war and those which grew out of the war in ten or two years. But it might be supposed that prudence would play some larger part in restraining their expression of those feelings than it seems to be doing. While the German ministers at Spa were gladdening the Allies not to cripple Germany by the armistice, the German people were protesting against the armistice, and the German public has thrown insults at any of the A's & D's—and least of all the state whose influence over the

If that is the German idea of how to cultivate good feeling among their late enemies, and to get concussions which are certainly important to them, and which they declare to be of vital importance, the citizens of the new republic have a good deal to learn before their "democracy" will be safe for themselves. They are giving the Allies to understand that despite what German statesmen may say, all that keeps Germany from taking the war path again is the lack of power. The power is the lack of strength. SCHOOL SHOES

School days will soon be with us again and this will require new footwear. We have now in stock a splendid range of **Kidney Welt Shoes** in both white and brown. The leather in these shoes is very soft and pliable with heavy soles, but still they are very light and comfortable. Prices range from \$3.75 to \$5.00 per pair according to the size desired.

In addition to these we have a splendid range of **William "Young Canadian" shoes** which are all solid leather. These are made on the same principle as the William "Shoes for Men" with the same grade of leather used. The satisfactory service we believe that our range of William's shoes will compare with any line of shoes on the market and therefore do not hesitate in recommending them to our customers.

SEMI-MONTHLY CROP

AND LIVE STOCK REPORT

General crop conditions throughout the province are particularly promising during the last of July combined with warm weather brought all crops along very fast. During the past ten days practically no rain has fallen. The weather has been especially suitable for filling and plumping of the early sown grain. The early grain should have matured for best growth. When cutting has commenced in various parts of the province, it is generally about the Crow's Nest line and will be well under way throughout the whole of the south and east from the 14th to the 20th.

Full rye is practically all cut and a considerable amount of it has been threshed. Some of the early sown, early cut, but both rye and barley will give excellent yields. Crops of the province may still require another dry week before they are ripe.

Reports from Grande Prairie and Peace River indicate that weather conditions have been very similar to the rest of the province during the crop well advanced and the prospect of a heavy grain crop is good.

Up to date no frost has been reported. The damage to the crops on the whole is not greater than in ordinary years. The crops are in good condition and will not produce much loss.

WITH 96 PUPILS

The Intermediate and Primary Schools have recently opened.

School opened on Tuesday morning with a total attendance of thirty-six pupils. The school is located in the new building on the corner of the main street and the school is well equipped.

In the case of the primary school it is safe to say that we have ten more pupils than we had last year. The school is well equipped and the teachers are well trained.

Mr. and Mrs. A. J. Frank and Joan returned from a two weeks' holiday trip to Jasper Park on Thursday last.

Dr. McQueen will be at his office in Bashaw the 4th Thursday in each month. Next date, September 25-24-23.

W. Adamson, who has been visiting this week, Mrs. Stearns, returned to Calgary on Thursday of last week.

Quite a number of land seekers have been looking over the district the past few weeks, many being from across the line.

Heleen Kerr returned to her home in Calgary on Thursday last, after spending her holidays with her sister, Mrs. A. Dryden.

H. Christie, who recently purchased the A. J. Haywood place, has moved his family and household effects here and will make his home in Bashaw.

The door and steel entrance for the mail in the Union Bank arrived during the week and has been installed. It is expected that the bank will get moved into the new building by the end of the present month.

"The Miller, who has been in the last to leave district for the past year and a half, reports very high yield for wheat this year, so that where that year they get up to 300 bushels of wheat is impossible this year to even get it.

Jack Hutchinson, formerly of the Calgary office of the Merchants Bank and transferred to Camrose, has been visiting in town on his way to Calgary, where he will be in the future. He met with the bank at the bank.

Mr. and Mrs. Harris Webb expect to leave shortly for Seattle, where Harris intends to do some farming. Their many friends will be sorry to hear of their departure. Harris has taken a prominent part in athletic sports coming here and will be missed on both hockey and basketball teams.

PURITY - QUALITY - ECONOMY

With the increased cost of labor and materials due to war conditions, it is not reasonable to suppose that a really first class baking powder can be made and sold at the old prices. Rather than sacrifice the quality of

MAGIC BAKING POWDER

we found it necessary to make slight increases in price during the war period. Even though Magic Baking Powder may cost a few cents more than the ordinary kinds it is still by far the most economical baking powder on the market to-day when purity, strength and leavening qualities are taken into consideration.

PRICE vs. VALUE

In buying Shoes (and everything else as well), it's **VALUE** you want. Imported shoes cost more because of the freight duty and exchange. These things don't add to the value of a shoe. They only increase its cost.

This store has one mission in life. That is to give you the best values. Made-in-Canada shoes are today better value, grade for grade, than shoes imported from any country. They reflect the very latest and best styles and shapes. The material is honest. Workmanship is high grade. And so, because the property of this store depends upon service to our customers, we sell and recommend Made-in-Canada Footwear, knowing that we can thereby give you the best value and satisfaction.

Right here is where **JUST WRIGHT'S** shoes stand out prominently. They will give the maximum value and at the same time provide comfort and service, all sizes for Men and Women.

The Coming Liquor Referendum

What is regarded by many as the battle line in the long war waged against the liquor trade in Canada will be fought at the ballot box by the voters of Alberta and Ontario on the 25th of October. The province-wide referendum on the sale of liquor for consumption on the premises will be held on that date.

There is much to be said for the liquor trade, but it is not to be taken for granted that the liquor trade will win. The liquor trade has been successful in the past, but it is not to be taken for granted that it will be successful in the future.

BEWARE OF DECEPTION

Statistics show that when egg albumen is used as a constituent of baking powder, the amount so used is too small (usually 15/100 of 1%) to affect the quality or effectiveness of the baking powder containing it, and when so used, is plainly for the purpose of fraud. Intelligent buyers will not permit themselves to be deceived by the water glass test.

MAGIC BAKING POWDER

contains no alum or egg albumen and is guaranteed to be composed of the ingredients printed on the label—and none other.

Enterprising Local Merchant Helps Keep Business at Home

H. J. Dahl, General Merchant, of Bashaw, now putting on great reduction sale, says 'that at this season many firms in the larger cities attempt to attract local trade by mailing ads to the farmers of this district, and to offset this H. J. Dahl has thrown his entire stock of merchandise on sale to the public at large and genuine reductions at which he has easily outdone any mail house or large city store.

Shoe prices have been practically cut in half. All lines of Men's and Ladies' as well as Children's Clothing has been drastically reduced. Chinaware and Glass foods are offered at far below cost, beside lots of good buys in Groceries to tempt the most reserved Bargain Hunter.

Never has any Merchant offered goods at such reductions. The wide awake will stock up for the winter and come early to pick and choose from this \$20,000 high grade stock of merchandise now offered at slaughter prices to the public.

Every Day is Bargain Day at Dahl's, the Merchant Who Saves You Money.

Pipe or Pipeless All Makes and Sizes in Stock

That long drive through the biting snow weather will be lots plus after if you know that there is a Pipeless Furnace ready to give you a warm reception. You can step from the icy outdoors into comfortable rooms and be warm in a jiffy.

The whole house is heated from only one register—no muzz and fuss of stoves and ashes here and there in the living rooms. Moreover, it consumes less fuel, because the Pipeless Furnaces heat economically by a scientific method, following nature's way it heats without pipes and through only one register, thereby saving the expense of costly installation. Easy to install in old homes as well as new, because no holes need to be cut in the walls for heat pipes.

The Pipeless Furnace permits you to store perishable food in the cellar, because it radiates no heat there.

HEALTHFUL HEAT
Your house is warm when you get to bed, and warm when you get up. Danger of colds is reduced because every room is uniformly heated to a moist, balmy temperature.

WHEAT DROPS 38c DURING THE WEEK

Edmonton Dropped Out of Market, Other Grains Show Few Points For the Week

Wheat shows a total drop of 38c a bushel for the week at the local elevators, dropping from a figure of 52 1/2 last Wednesday to 49 1/2 on Tuesday of this week. Yesterday the price remained the same as for Tuesday.

The cause of the slump is attributed to wheat prices coming down to levels that European countries could afford to pay, pressing of hedging sales and absence of buying volume explained the weakness to some extent. In addition to this, the market was undoubtedly working in sympathy with the United States markets where heavy declines also took place.

Oats and barley are both lower than last week, but have remained steadier than wheat and the result does not show the full falling off in price.

Encouraging Corn Market
 Calgary, Oct. 26.—Owing to the fact that wheat prices on Monday, some of the local grain men think that it will be a relief. If the land-side continues that the Canadian Wheat Board will again be called into operation. The market showed a slight decline here, but the decline in November was 18 cents, and December 17 cents respectively.

The probability that the board will come into operation is having a marked effect on operations. Buyers are holding off for the reason that if the government again took charge the board will be called into operation on future deliveries.

The Cattle Market
 According to a letter received by the U.S.D.A. the market is very heavy and prices are low. It has been suggested the market during the past two weeks and these prices are discouraging. Much of the stock marketed is not in the condition and the market is very tendency to lower prices. They are watching the market for the next three or four weeks and to price when the market is not quiet. Cattle not finished should be carried for a longer period, they state.

DEATHS

MRS. KIMMELMAN
 The death occurred in Edmonton on Wednesday morning, Sept. 25th, of Mrs. M. S. Kimmelman following a lengthy illness.

The late Mrs. Kimmelman was well known and highly respected in this district, having lived for a time with her son, E. Kimmelman, and during her residence in the city of Edmonton.

Funeral services will be held on Thursday afternoon at 2 o'clock in the Methodist cemetery, Edmonton. The funeral will be officiated by Rev. J. H. Kimmelman at 2 o'clock in the Methodist cemetery, Edmonton. The funeral will be officiated by Rev. J. H. Kimmelman at 2 o'clock in the Methodist cemetery, Edmonton.

OPEN NEW LUMBER YARD IN BASHAW

Bashaw Brothers, of Edmonton To Open Branch Yards in Connection With Mill

With the work of unloading the three cars of lumber that arrived at the mill on Monday, the start of a large stock which they will carry at this point, Bashaw Brothers, of Edmonton, have completed arrangements for the opening of a line yard at this point which will be furnished from their mill in B.C.

Robert Bashaw, who is looking after the arrangements here, says that if the present weather is successful they will no doubt be opening a string of yards in the province. At present, the yard will be supplied with lumber from the mill and from the Edmonton yard.

Since the above was set in type we are informed that the McIntyre-Sutherland Lumber Company have purchased the mill site of the yard, at this point, and will have it completed at first announced.

Gutta Percha Overshoes

Have now in stock our fall and winter Overshoes consisting of Artles, Fine Jersey Storm Overs, Four Buckle Overshoes, Gum Shoes with Leather tops, etc. As we do not believe it is good policy to carry over rubber a odo from one season to another it is our policy to clean up rubber stocks as near as possible at the end of every season. In this way we have clean up-to-date rubber boots to begin each season with, and as we purchase all our rubber goods direct from the Gutta Percha Factory we are not handling stocks that have been in the hands of jobbers for some time. There is of course with the best of Overshoes a defective pair in a great while, but any defective pair of the Gutta Percha Rubber will be replaced upon advice.

We have complete line of Overshoes and Rubbers for every member of the family, father, mother, sister, brother and even to the little ones, and the price is reasonable, according to size.

These goods are both warm and comfortable and will give service.

THAT WILL ABSOLUTELY SATISFY YOU

"Proco" Return Flue Tank Heater ACETYLENE WELDED SEAMS

The 'Return Flu' spells the difference between the Perfected Stock Tank Heater and the ordinary make. It is located directly over the fire so that when a fire is kindled a strong, instantaneous and lasting draft is created, because the flue above is immediately heated. The draft is easily controlled by a slide in the fuel door.

Absolutely no casting and no rivets are used in construction of tank. Made throughout of 16 gauge painted black steel, every seam is acetylene welded under a terrific temperature.

Burns wood, coal, straw, etc., and is guaranteed not to leak. Price

Harding Votes
At 12.30 o'clock this morning with actual returns far from complete, Harding was certain of 275 votes in the election college from the following states: Connecticut, Delaware, Idaho, Illinois, Iowa, Kansas, Maine

Massachusetts, Michigan, Nebraska, New Hampshire, New Jersey, New York, Ohio, Oregon, Pennsylvania, Rhode Island, Ver-

Two hundred and sixty votes are necessary to elect. The states from which returns were too meagre to justify actually placing them in either the Harding or Cox column were:

Arizona 3; California 13; Colorado 6; Indiana 15; Kentucky 13; Maryland 8; Minnesota 12; Missouri 18; Montana 4; Nevada 3; New Mexico 3 North Dakota 5; South Dakota 5; Utah 4; and West Virginia 6; a total of 126.

Certain for Cox

The states which were certain for Cox at that hour were: Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas and Virginia; a total of 136 votes.

Republicans Claim Gain Senate
Washington, Nov. 2.—A major Republican gain of "eight and possibly ten" seats in the senate was claimed tonight by the Republican senate committee on the basis of early reports from the senatorial states. Victory was

Should the actual results be out his early indications giving the Republicans a gain of eight seats, they will have at the next session 57 seats in the House.

Distinction

Gutta Percha Overshoes

Have now in stock our fall and winter Overshoes containing Artisan, Pine Jersey Storm Over, Four Buckle Overshoes, Gum Shoes with Leather Tops. As we do not have it is good policy to carry over rubber goods from one season to another it is our policy to clean up rubber stocks as near as possible at the end of every season. In this way we have clean up-date rubber stocks in each season with, and as we purchase all our rubber goods direct from the factory, we are able to sell them at the lowest prices in the hands of jobbers for some time. There is of course with the best of Overshoes a defective pair in a great while, but any defective pair of the Gutta Percha Rubber will be replaced upon advice.

KIMMELMAN'S

AT LAST—A Stock Tank Heater

THAT WILL ABSOLUTELY SATISFY YOU

"Proco" Return Flue Tank Heater

ACETYLENE WELDED SEAMS

The 'Return Flue' spells the difference between the Perfect Stock Tank Heater and the ordinary make. It is located directly over the fire so that when a fire is kindled a strong, instantaneous and lasting draft is created, because the flue above is immediately heated. The draft is easily controlled by a slide in the fuel door.

Absolutely no casting and no rivets are used in construction of tank. Made throughout of 16 gauge painted black steel, every seam is acetylene welded under a terrific temperature.

Burns wood, coal, straw, etc., and is guaranteed not to leak. Price

CUMMING, LANE, McNAIR ELECTED

Cumming 11, Lane 10, McNaair 77.

With the largest poll ever registered in the village, the election of Cumming, Lane and McNaair was a triumph for the party.

Out of a possible 147 votes in the village, 120 were cast, and the total of 377 was received in the election.

A. J. Lane was not far behind with 10, while Cumming received 11.

McNaair received 77 for three places on the council, A. J. Whyte secured 77 which was enough to ensure election.

There were also two other candidates, but they were not elected.

Farmers Decline to Form Alliance With Norris Government

Coal Agreement With Germany — The German Government has agreed to supply the United States with 1,000,000 tons of coal annually for the next five years. The agreement was signed by the German Minister of Commerce and the American Ambassador in Berlin. The coal will be used for the production of steel and for the power industry. The agreement is a significant step towards the economic recovery of Germany after the war.

Germany must provide a minimum of 2,000,000 tons monthly without any special consideration, as in the case of the United States in 1941.

MEN'S DRESS SHOES

We have now received our spring shipment of Men's Dress Shoes for this coming season and we are introducing for the first time to our customers the new Telford Shoe. This is a first class made shoe in every respect with the latest style and has a very early appearance. This shoe ranks among the High Grade shoes made in Canada and we have no hesitation in submitting it to our customers. This is an all Canadian built shoe from the ground up being that the former factory which made our John Wright shoe has been added to the men who managed it previously.

The Telford factory which is the successor to the John Wright factory is controlled by Canadian capital, by Canadian officials and by Canadian labor. In other words we are offering an all MADE-IN-CANADA shoe.

Bashaw Dropped Opening Game to Camrose

The hockey game at Camrose on Wednesday night last ended in a 4-2 game in favor of the Vets. The game was a very close one, but the Vets were too good for the Bashaws.

My years of experience in your business guarantee that my examination of your business will show you that you are not getting the most out of your business.

If you do need glasses, the best way to get them is to go to the optician who has the best equipment and the best prices.

Announcement

After reviewing the past year's records and taking into consideration the present and future outlook it is necessary to adjust our business to the increasing demand on us.

Therefore, new terms as per form letter, just mailed, limiting all credit business to Net Thirty Days, will become effective Feb. 1st, 1921.

These terms are not, we believe, unreasonable at all, but it is advisable to adjust ourselves to business conditions as they are at the present time. If you have not received one of our circular letters, kindly call at our office and these will be explained to you.

New Sallow Skin Can Be Changed To Easy Complexion

Every woman with sallow skin and complexion can be changed to a clear, healthy, glowing complexion by using the famous "Pills for the Face" which are sold everywhere.

There is a reason why you have sallow skin. It is because your blood is impure. The "Pills for the Face" purify the blood, and when the blood is pure, the skin is clear and healthy.

Do not let your sallow skin stand in the way of your happiness. Get the "Pills for the Face" today and see the difference it makes.

Love of The Wild

ARCHIE P. MARSHALL
Proved by Special Assignment
from the "New York Times"

There is a love of the wild in every man's heart. It is a love that is born of the desire to escape from the cares and worries of the city and to live in the open air, surrounded by the beauties of nature.

For many of us, this love of the wild is a dream that we never have the chance to realize. But now, thanks to the "Love of the Wild" by Archie P. Marshall, we can have a glimpse of what it is like to live in the wild.

The "Love of the Wild" is a book that tells of the adventures of a man who has lived in the wild for many years. It is a book that is full of interesting stories and facts about the life of a wild man.

If you are interested in the life of a wild man, if you want to know what it is like to live in the wild, then you should read the "Love of the Wild" by Archie P. Marshall.

Man Deafened To Fly

Mr. Bashaw, of Ashby, Western, has been deafened to fly. He is a famous pilot and has been flying for many years. But now, he is unable to fly because of his deafness.

This is a sad story, but it is a warning to all pilots. They should be careful of their hearing, as it is one of the most important parts of their body.

"Will I make an extra profit, or will I stick to quality?"

—Whenever the grocer buys tea this is the question that comes to his mind.

If he is after the biggest profit he will never buy Red Rose Tea for it gives him less profit than other teas which he sells at the same price. But he buys Red Rose. —It has the quality.

Stops Coughing Quickly.
Helps Irritable Throat.
Ends Soreness, Coughing.

It is a fact that the most effective
cough medicine is the one that
acts on the throat and lungs.
Zam-Buk is the only medicine
that does this.

Men's Induced Health

Shops Cauterized Discharge

Relieves Colds Quickly

Men's Induced Health is a new and revolutionary method of treating colds, coughs, and other respiratory ailments. It is a simple, safe, and effective procedure that can be performed at home or in a doctor's office. The treatment involves the use of a special cauterizing agent that is applied to the nasal passages and throat. This agent helps to clear the airways and reduce inflammation, thereby relieving symptoms and promoting healing. Men's Induced Health is a valuable addition to any medical practice, as it provides a quick and reliable means of treating common respiratory conditions.

Love of The Wild

By ARCHIE P. MAKINSHIR

Printed by North American Press, Ltd., Toronto, Ont.

Chances are that you have heard of the "Love of the Wild" before. It is a book that has captured the imagination of many people. The author, Archie P. Makinshir, is a man who has spent a great deal of time in the wilderness, and he has written a book that is both informative and entertaining. The book describes the author's experiences in the wild, from his early days of exploration to his later years of settlement. It is a book that is well worth reading for anyone who is interested in the natural world.

When I look back on my life, I can see that the "Love of the Wild" was a defining moment for me. It was a time when I was young and full of adventure, and I was determined to see the world. I was not afraid of the unknown, and I was not afraid of the challenges that the wilderness presented. I was a man who was driven by a passion for the wild, and I was determined to live my life to the fullest.

The "Love of the Wild" is a book that is well worth reading. It is a book that is both informative and entertaining, and it is a book that is well worth recommending to anyone who is interested in the natural world. The author, Archie P. Healthy Liver Healthy Life

There is no doubt that a healthy liver is essential for a healthy life. The liver is one of the most important organs in the body, and it plays a vital role in many of the body's functions. A healthy liver helps to filter toxins from the blood, and it helps to produce the bile that is needed for digestion. If the liver is not healthy, it can lead to a variety of health problems, including jaundice, liver disease, and even cancer. Therefore, it is important to take steps to keep the liver healthy, and one of the best ways to do this is by taking a liver supplement.

OUR SHOWING OF New Spring Goods

AT SALE PRICES

Work on the land in present general throughout the district and farmers are busy sowing and preparing land for the seed. The past week saw the first rain since the 15th of March, and though there are quite a few who think there is a chance of a late start on the land a week ago had a fair and Friday, April 15th, still earlier start.

Grassland at Whistler is starting to green.

While the land is reported to be in pretty good shape due to the snow falls of late March and early April, the season has been cold and backward and the ground has not had the chance to warm up to the same extent as at this time last year.

While it is difficult to give an estimate of the crop area at the close of this year, it is nevertheless felt that it will approximate that of last year with the bulk being sown in the spring and the bulk being sown in the spring.

We are also carrying a large stock of the best quality and price in the district.

UNION CHURCH NOTICES

Dear Folks:—I regret that we are prevented from gathering for worship, but we hope to meet on Sunday, July 2nd for both morning and evening service.

While speaking in our own country, it is not enough, let us realize that conditions are worse. We hope that no more cases will be reported, and that some lives will be saved.

There is a great need for a few more lives to be saved. We hope that no more cases will be reported, and that some lives will be saved.

Do You Know the Facts About Building Cello? Do you know how much and building material are used? Have you thought of us lately about building?

You know how reasonably you can make model reprints, build your new house or remodel your old one? Better get in touch with the situation at once. The big building program that was started in 1920 failed to develop. The manufacturers were caught with too much stock, and were forced to turn them over almost cost.

You saw them Year a Substantial Increase in Every Item on Our List—but it is only fair to you to tell you that this condition may become temporary. The country is short more than a million. When people begin to do the long delayed building, they will increase rapidly, creating another shortage of materials, and prices will advance again.

It is a pleasure to see you in the market and to give you news. When you see the actual situation, you will see that the country is short more than a million. When people begin to do the long delayed building, they will increase rapidly, creating another shortage of materials, and prices will advance again.

OUTING SHOES

Hot summer days are now here and so is our stock of Gutta Percha Outing Shoes. This is one of the best lines on the market. These come in various styles and we have a complete range of sizes in the lines in stock. See our display

GROCERIES

Our Grocery Department is no wright up-to-date in all the staple Groceries and we have endeavored to make our prices as near right as it is possible for anyone to do. We have now in stock a new line of canned Fruits on which the price has been reduced over 25 per cent. Also canned Vegetables have been reduced about 20 per cent. in the new lines we are carrying. Quality must in all cases be taken into consideration as there is not as much decline in some of the best lines. Permit us to figure on your quantity order where case lots are not broken.

Our stock of Chocolates are the very best on the market and always fresh. These come in any flavor desired. When ordering yours be sure to specify WILLARD'S CHOCOLATES.

MANY THRILLS IN BUCKING CONTESTS

**Good Crowd and Plenty of Sports
Made Celebration a Success**

The Dominion Day celebration staged by the Agricultural Society was one of the best pulled off here in recent years, there was a good crowd considering so many other attractions in the vicinity, while the weather was all that could be desired.

The big event of the day was of course the bucking contest and it furnished plenty of thrills so that none were disappointed. Of the two contests, saddle and

nurcingle, the latter provided the greatest number of thrills and

MASONS HAVE BIG DAY POPULAR BEACH.

About 200 Attended Annual Picnic Of Masonic Lodge Wednesday

The annual masonic picnic was held at Popular Beach on Wednesday and was attended by around 200 people, all of whom voted it one of the best days outings held here in several years.

The program of sports started about 3 o'clock with field events for both old and young, followed by swimming events, tug-of-war, tennis, and a baseball game. Masons again at the world.

In the field events, H. Bollen was the 100 yard dash with Roy Zachary second, James Ledgerwood won the ladies and Mrs. Stanley second. In the ladies race for members of the Eastern Star, Mrs. Ledgerwood was 1st and James Ledgerwood 2nd. Girls under 15, H. Bollen 1st, Mrs. Stanley 2nd, Boys under 15, H. Bollen 1st, Philip Meyer 2nd. Girls under 15, H. Bollen 1st, Mrs. Stanley 2nd, Boys under 15, H. Bollen 1st, Philip Meyer 2nd.

Swimming race P. Sparrow 1st, K. R. Woodfield 2nd, Ladies swimming race Helen Rasmussen 1st, Mrs. Stanley 2nd. Owing to the lack of sufficient boats it was necessary to pull off the boat race.

In the boating contest, H. Bollen took 1st and W. P. Macdonald 2nd. In the tug-of-war, H. Bollen's team carried away the victory. The prizes were presented by the organizer, while at the same time the Officers and members of the lodge took advantage of the occasion to present N. E. Ledgerwood with a pair of military brushes and the members of the Eastern Star to J. A. Whitley made the occasion a special one for him. Ledgerwood made a suitable reply.

The last item of the program was the baseball game in which the Masons undertook to lick the world, but like the Irishman "took in two much territory" but at that after five innings of the wildest kind, the ball of the driver.

Numerous reports of hail at points north and west of this point are coming in, but so far the Bashaw district has not been fortunate.

Bashaw Orchestra furnished music for the dance in McNeil's new store in Mirror last Wednesday night.

Mrs. Varwood, of Alia, returned to her home on Saturday after spending a short time with her sister, Mrs. D. A. McDonald. Constable P. Crowley returned from Edmonton on Tuesday in which point he conveyed R. D. Schiltz Jr. sentenced to six months at Ft. Saskatchewan.

MIRROR & BASHAW

In a return game of ball Mirror defeated the locals at the exhibition grounds on Friday night by a score of 1 to 0. However for Mirror was in a rare form and had the locals in the palm of his hand at all times, in fact he never pitched and a nice game around them. He was stingy with both balls and walks and the locals had a difficult time connecting with his hook ball. And at that Mirror did not hit Alia any too frequently. The winners, those coming to the grounds, those coming in the third inning, Mirror getting the other 2 in the second. Owing to the late hour at which the game started only five innings were played. These two teams will meet again today.

UNION CHURCH NOTICES

11 a.m. Bible school as usual, it is hoped that a good crowd will be present.
5 p.m. the Masons will parade to the Union church, preacher, Rev. Geo. F. Driver.
7:30 p.m. evening worship will be conducted by Rev. Geo. F. Driver.

Owing to the Masons' service the Matthev service will be held at 11 a.m. Sunday school at 10 a.m. Mr. Driver will conduct the service.

NEW ELECTRIC LIGHT PLANT BEING INSTALLED

The new Delco electric light plant to furnish a twenty-four service arrived during the past week and the engineer is now engaged in having the same installed in the local plant. The tractor was removed on Tuesday and the plant run on the gas engine for that night, all lights possible being cut off in order that the machine might give as great a service as possible. It is expected that the machine will be carrying the big part overload of its young life. However, it is expected to have one unit in operation by tonight and a second possibly by Wednesday, with the third machine and the complete plant will be running within the week. In the meantime, the lights are not out at night not necessary and thus assist in the change over as is now being made.

With the three units it is felt there will be sufficient power to furnish all parts of town with good service, but in the case of three not being sufficient, the plan is so arranged that a fourth or even fifth unit can be added at any time, while at the same time the plant will have the 10 hp. generator as an auxiliary in the case of breakdown, etc.

In connection with the new plant there is a battery service sufficient to carry the town during the night, that is from midnight to morning, so that lights will be available at all times day or night, which is a decided advantage over the present plan.

PROVINCIAL COUNCIL FOR PERSONAL SERVICE

Edmonton, Aug. 1.—Premier Greenfield may not find a seat in the Ponoka constituency. Even the lure of being represented in the legislature by the premier of the province shows signs of failing to prove sufficiently attractive, and there are indications the farmers in that riding "kicking over the traces" if the provincial organization insists on naming Mr. Greenfield for the seat rendered vacant by the death of the late Percival Baskin. At a meeting of the central committee of the U.P.A. and U.P.W.A. held in the Empire theatre, a resolution was passed that the members of the provincial organization should be taken to the extreme and a statement of opinion should be taken on the riding and there fully discussed and voted on. The final decision will be made when a representative from each local unit will attend a general meeting in the near future. The result of his organization.

LOCAL RESULTS BEST EVER

Bashaw, "Uit" Bakula was named to six of the seven seats at Ft. Saskatchewan on J. A. Whitley, J.P. on Monday morning and was taken north on the afternoon train to serve his time. The crowd arose out of a fight in the Union Cafe on Sunday night which "Uit" got mixed up with the police, as a result of which the town constable is carrying a lovely colored eye and "Uit" is now at the Fort.

IT IS EXPECTED THAT CUTTING ON

the farm in the district will be under way in the next week to ten days, grain is ripening at many places in the district. The crop is expected to be better than the whole than that of last year, according to reports to hand.

THE MASON-HARRIS WIFE

The Mason-Harris wife is to be placed pending adjustment of wages, over 100,000 men will be affected by the cutting.

FIFTH ANNUAL FAIR OFF TO GOOD STAY

Series Sargant Any Previous Year, Cattle Exhibits Best Yet

Entries for the fifth annual fair of the Bashaw and District Agricultural Society will surpass all previous records according to the information given the Star by secretary Frank on Wednesday morning. All day Tuesday and late into Tuesday night the secretary was kept busy taking entries and the office was as busy as a beehive with callers to enter and others seeking information, prize lists and entry forms, and when the lists of exhibitors were tallied it was found that the people of this district do not relish the idea of having the fair taken away from them so they intend that it shall be.

In the stock exhibits there is to be a prize for the best numbers and quality of Shorthorns, Aberdeens and Argyshires, as well as a number of fat nearly all stock exhibits show an improvement over former years.

Wednesday was devoted mostly to preparing the fair and exhibits were concerned with a sports program envisioned things to a great extent, for the tournament being the big feature of the day with teams from Tristram, Morning Creek and Bashaw.

Thursday, however, will be the big day, judging starts at 9:30 a.m. for the prize. The prize will take place in the hall at 3 p.m. There will also be horse races, a basketball game between Bashaw and Mirror for the final day. Unfortunately the cancelling of the aeroplanes for which the prize was made is a severe blow to the program as many had contemplated a ride in the air.

TRISTRAM WON BASKETBALL TOURNAMENT YESTERDAY

Tristram took first place in the basketball tournament yesterday by defeating Bashaw 5 to 4. In the first game Bashaw won from Morning Creek by 6-4. The locals got an early lead with five runs and scored three before the game was over. In the second game Bashaw was close at 5-3 for several innings, but the boys from the west got into the lead and won the game by 7 to 5. The score on the finish of the game.

J. A. CHARLWORTH WAS ELECTED

John Charlesworth was elected post trustee on Tuesday to fill the vacancy caused during the resignation of N. E. Ledgerwood of wages, over 100,000 men will be affected by the cutting.

LUMBER IS DOWN

Ym, Lumber is down—down to where a farmer can afford to build what can be made of lumber, even in the face of a low market on farm products.

Lumber was the last great commodity to go up and the first to come down.

TODAY, LUMBER PRICES are down to where it is hard to see how they can go any lower.

BARS OR HOISTS or just some boards for fixing up around the place, the facts about lumber will appeal to any man who believes in thrift in his values.

COME IN TODAY and talk over your practical problems we will be helpful and we welcome an opportunity to help you.

SCHOOL OPENS ON MONDAY, AUG. 29

But not in the North Eastern School this year.

School opens on Monday, Aug. 29th in place of Sept. 6th as announced in last week's Star.

Reason being due to the lengthy holiday during the summer vacation and it is felt that as much as possible should be made of these holidays and the possibility that there may again be considerable illness due to some infectious disease that would be opened the last week of this month.

While this news will be received with "kicks" on the part of the younger element it is at the outside no more than one week earlier than any other school or city schools will be reopening for the fall term.

The board, we understand, are completing arrangements for another building for the coming year and this matter will be completed in time for the opening date.

CUTTING ONE GENERAL THROUGHOUT THE DISTRICT

Cutting the 1921 crop is now the order throughout the district and hardly a field of wheat is to be seen where a header is to be busy cutting. Though there is no general order of cutting in different parts during the past week, it could not be called general until now when practically every farmer is busy and has no time to spare.

From all accounts to date there is an estimate made being made as to the yield of the crop. It is estimated that the yield will be about 10 bushels per acre, but the continued dry weather has led to the belief that the yield will be less.

As to the hay crop, the district will be in the same fix as last year. The fall is now well advanced and the additional crop harvested and the farmers are not going to be any better off than last year.

GRAIN PRICES DOWN TO NEW LOW LEVEL

Wheat at 55c; Barley at 22c and Oats at 15c lowest in years.

A sharp low level was reached in the local grain market during the past few weeks. Wheat, at 87 cents with barley at 22c and oats at 15c, the lowest prices at which the grain market has reached in the past seven or eight years or in other words, the low was opened in 1914.

The market has been weak, not declines for several weeks and few if any realized that the future would in any case touch the night, in fact the majority looked for a rise from the dollar mark of last week, however, a continued to drop until the present low mark was reached yesterday. Even if it is not looked upon as the bottom of the present decline.

In so far as the local crop is concerned, about forty per cent has already been marketed, but present declines has marred the present effect and farmers are bitter, and not without reason upon the demoralized conditions as they affect practically all farm products.

RIGHT-OF-WAY PURCHASED

R. Snyder, right-of-way purchasing agent of the Canadian National railway, arrived in town on Saturday and commenced on Monday the purchase of the right-of-way of the entire line of the G.T.P. and C.N.R. in the valley of the Battle river. He completed the same today and it is understood that the same commences on this three and a half miles of grade early next spring.

PELLEW-CLUTTERBUCK

At St. Anthony's church, South Edmonton, Saturday, October 1st, 1921, by Rev. Father Carls, Fred J. Pellew to Mary Clutterbuck, both of Bashaw.

To Mr. and Mrs. Pellew will go the hearty congratulations of a host of friends in both town and district, even though they slipped quietly away, get married and as quietly returned to take up their work on their farm of town. The Star-Jokes in wedding were a long and happy wedding.

FIRST LECTURE OCTOBER 10

The first in the series of lectures to be given by the local G.W.U., under the extension program of the University of Alberta, will be held in the Majestic Theatre on Wednesday, Oct. 12, at 7:30 p.m. The subject is "Protection and Prosperity of Our Own Canada's Prosperity." Depend on Protection with H. B. Patton as the speaker. At the close of the address the meeting will be thrown open for discussion. A charge of life will be made and the address to which you will add is small, is to assist the local Vice in deterring exports.

Leland and company introduced a new novel on original instruments at the Majestic on Monday, October 10th.

Does It Pay The Farmer To Hold His Wheat

When the wheat crop is harvested, the farmer is faced with a decision. Should he hold his wheat or sell it immediately? The answer depends on several factors, including the current market price and the farmer's financial situation. If the price is high, it may be profitable to hold the wheat until it rises further. However, if the price is low, it may be better to sell it now to avoid a further decline.

British Premier Pleads For Understanding And Peace Among Nations

London—The British Premier, Mr. Lloyd George, has today issued a statement in which he has pleaded for understanding and peace among nations.

Mr. Lloyd George said that the world is now in a state of confusion and that the only way to bring about peace is by understanding and cooperation among all nations.

He said that the British Government is committed to a policy of peace and that it will do everything in its power to bring about a settlement of the world's problems.

Mr. Lloyd George said that the British Government is committed to a policy of peace and that it will do everything in its power to bring about a settlement of the world's problems.

BYE-ELECTIONS SET FOR NOVEMBER 28

Mayor Premier Will Ross Home

Edmonton, Nov. 21.—(Write of the seven provincial bye-elections will be issued within a few days according to the best information in political circles, and quite possibly they will be issued Wednesday (last) night. Premier Greenfield is out of the city today, and definite news as to the government's intentions in the matter is not available, but indications are increasing that the date is now nearly ready for announcing November 28 is the information published by the Edmonton Journal.

What gives most color to the forecast is the fact that a nominating convention for the West Edmonton federal constituency is to be held by the United Farmers on Wednesday, together with a report from Warkick that Gen. Mclellan, the U.F.A. member for the Pembina riding in the provincial legislature, is resigning in favor of Premier Greenfield.

With the premier thus provided, as in his home riding, the Ponks seat, left vacant by the death of P. Baker, will be available for Hon. J. E. Brownlee, who is also without a constituency. The five other ministers will run the bye-elections in their own seats.

The machinery for the seven provincial bye-elections is under way and it is needless for anyone to see the necessity of the date being awaited. If the U.F.A. convention in West Edmonton clears the way as expected, the government's announcement will follow at once.

**MR. FARMER—Your first duty is the protection of your
cattle—Lives change. It costs you about \$40 per \$1000
per year for insurance. To lose your stock without insurance
would be a greater disaster than the loss of your crop. There
is no pay for insurance. The Farmers Mutual Insurance
Co. is the largest and strongest in the West.**

THE STORE THAT SAVES YOU MONEY

Local—Personal

A Happy New Year to All.
Mumps continue to claim a few more victims.

The local hockey club played its Tuffled last night.

Bert Williams is reported on the sick list this week.

Reg. Pearson is spending the holidays at his home here.

E. Kimmelman is a business visitor in Edmonton this week.

Dick Gardiner spent Christmas at Vermilion, returning Tuesday.

Wm. White spent Christmas at his home in Fort Saskatchewan.

Coal is reported to be short fifty cents a ton—every little bit helps.

Hugh Stephenson spent Christmas with friends and relatives in town and district.

Ed. Sproule reports that his young lady secured a big Jack Rabbit on Monday.

Andrew Williams, of Calgary is spending a short visit with relatives and friends in town.

Pearson Whitley is spending the holidays with her parents here, Mr. and Mrs. A. J. Whitley. Hugh and Archie McNair, of Mirror, spent Christmas with their parents, Mr. and Mrs. J. McNair.

Max Betty Pearson returned to Stettler on Friday after spending the past two weeks at her home here.

A song service of Christmas carols will be held in St. Peter's church on Sunday evening, Jan. 1st at 7:30 p.m.

Harry Christie brought into our office an egg laid by one of his six months old pullets which measured 6 inches one way and weighed 8 ounces.

Vets of Camrose play the local club here on New Year's afternoon. The game will take place at the rink which it is hoped to have ready by Thursday or Friday night of this week.

The Basketball girls' club entertained the boys' Basketball club at the home of Max Allen on Tuesday evening of last week. A most enjoyable time was spent in music, games and dancing.

NO INDICATIONS OF PLATINUM REPORT

No Signs Anywhere from University Received This Week

The following news has been received by Mr. Stewart from J. A. Nelson, director of Industrial Laboratories of the University of Alberta, to whom samples of the black sands from the Red Deer river were sent some time ago. The report is self explanatory. The report reads:

Edmonton, Dec. 30, 1931

Mr. D. B. Stewart, Bashaw.

"I beg to advise that I have examined small sample of sand submitted by you and do not find any values in gold or platinum."

"Sample submitted was very small and could not be representative. I would advise that Mr. Harrington paid down a considerable quantity of the gravel and send me a much larger sample. The gravel should be taken at different places along the river."

Yours truly,
James A. Nelson, Director of Industrial Laboratories, University of Alberta.

After reading the above report the Star got in touch with N. W. Harrington who is an interested investor and has had considerable mining experience and his statement is as follows:

"I admit I was quite enthusiastic at first and got in on the ground floor so to speak. I made three trips to the river and on each occasion passed numerous spots from the surface river, the sand strata and the gravel and gravel, and I passed very carefully for over three hours on each trip. At no time did I get platinum colors and only on a few occasions did I get colors of gold and both times from gravel at bed rock."

"I said Mr. Harrington, 'I have satisfied myself that no further investigation is necessary to convince me that there is nothing to it. I have made a most careful investigation during my different trips and have tested the different strata on each occasion and I do not think there is any warrant for the risk.'"

DO YOU READ?

Do you wish for something to read these long winter evenings? If so, we shall be glad to have you call on us and see what books we have on our shelves. Something to suit everybody's taste—Love, Mystery, Adventure. We are open every day from 10 a.m. to 10 p.m.

DOH ADAMS TO GIVE US A SMILE A WEEK

Bob Adams, a contributor to the Country Gentleman and other well known periodicals, heretofore will write a prose poem every week for The Star under the heading "Rude Rhythms." This newspaper is one of a syndicate of leading Canadian and American country weeklies for which Mr. Adams is writing these poems exclusively. Everyone is familiar with the "Lonesome Rhyme" of Walt Mason which for years have been features of hundreds of daily papers throughout the country. Mr. Adams is just as facile in rhyme and original in humor as is "Uncle Walt."

Readers of this paper will be constantly expected, watch eagerly each week for the evening edition which will appear each week on page 10.

LOCALS LOST TWO GAMES THIS WEEK

Tolsted Won 2 and Camrose Won New Year Games 4-2

Bashaw lost two games of hockey during the week one to Tolsted by a score of 2 to 2 and the last feature, at home on New Year's day to the Vets of Camrose 6 to 4.

The home game was played at the new rink and the loss was a bitter one for the Bashaw team. It was a good game, in spite of the fact that Veto secured two very last goals and as the Bashaw team was out of the game also had one handed to an on player. However, local players were not satisfied with the result and as the Bashaw team was out of the game also had one handed to an on player. However, local players were not satisfied with the result and as the Bashaw team was out of the game also had one handed to an on player.

The Tolsted game was the last witnessed in that city for some months and while it was the short end of a 5-3 score, fans admitted their team was forced to travel the full fifty minutes. First period 2-2, second 2-2 and final 5-3. We don't see the little break in the game that gave our opponents quite an edge.

Canada's Needs

No. 2—Agricultural Property

Concluding the first article in this series in which the greatest of Canada's needs is that it may become a nation rather than a collection of islands, we now turn to the second, which is that the people who are to be the citizens of this country should be of the same race and of the same blood. Canada is to be a people and the people who are to be the citizens of this country should be of the same race and of the same blood.

The truth should be clearly established, and, in the opinion of the writer, it is far to be desired that the people of this country should be of the same race and of the same blood. The fact that Canada's economy is of a largely agricultural nature, and that the people who are to be the citizens of this country should be of the same race and of the same blood.

There is a certain amount of truth in the statement that the people of this country should be of the same race and of the same blood. The fact that Canada's economy is of a largely agricultural nature, and that the people who are to be the citizens of this country should be of the same race and of the same blood.

GOLF CLUB DANCE WAS BIG SUCCESS

Over 120 Take in Event in Lytle Hall Last Wednesday Night

The first dance of the Bashaw, Buffalo Lake Golf Club was held in Lytle hall on Wednesday night of last week and was attended by over one hundred and a most enjoyable evening song.

The committee composed of Mrs. Stacey, Mr. Harrington and Mr. Gartner, spared no pains to make the event a big success, that they succeeded was amply demonstrated from the comments of the large crowd present, all of whom expressed their delight with the arrangements and the carrying out of same.

The hall was very tastefully decorated, golf clubs, balls, etc. were arranged, while golf colored formed a stranger done in the center of the hall.

The Club provided a very delicious repast consisting of two courses, divided into two parts of thirteen numbers each while for those who did not dance, card tables were provided and they were kept busy throughout the evening.

One of the features of the evening was the presentation of the handicap cup donated to the Club by Mr. N. W. Harrington and won this year by B. S. Burns while Mrs. Stacey, the runner up was presented with a trophy by the Club. Dr. Demarest on behalf of the Club made the presentation in a very most manner.

The privileges of the without question one of the finest trophies in the province and while on view during the evening was admired by all present. It may be said to state here that the cup is up to 500 yards.

The winners play off in the 5th year for possession.

At the close of the first part of the program songs were sung and during the interval a short program was rendered consisting of a very pretty dance by the Misses Dietrich and Grace Stacey, a solo by Mrs. Cranston and a pianoforte solo by Mrs. Cranston and Mrs. Frank which were greatly enjoyed.

Following supper dancing was resumed into the new hours of Thursday, one and all apparently having a real good time.

R. B. Bennett has been up and on the election of 21st. Cranston played the telephone hockey team in Edmonton last night, in a former game in Cranston the Phoenix were beaten.

HOCKEY GAMES

Feb. 2nd—Telford at Bashaw, game starts today sharp at 11.50. A win for the locals will give them a chance to tie up the second half of the league schedule come out and host for them Feb. 6th at Edmonton at 8:00.

GEORGE DISTRICT NEWS

The dance on Friday night was well attended and all report a good time.

Quite a number from this district attended the funeral service of Mrs. Parguer's given in honor of her daughter, Ruth.

Mr. C. R. Brewster is the delegate from this district to the Trustees convention in Edmonton this week.

The MacKinnon's and Smith's of Bonnie View, spent the week end in the hills, the goods of Mr. Miller.

MANFRED FRIMS

Mrs. D. Shole came home this week from Edmonton where she has been taking treatment at the General hospital, having had a slight relapse from her eye. Her friends are glad that the operation proved successful and that she is doing as well as could be expected.

Neil Mattewill has the misfortune to have one of his driving wheels break his leg one week.

Mr. Thorson, the new teacher for the Perry Road, seems to be doing well and the children all like him.

Some from our neighborhood attended the Lyttelton at the end of the week.

Some lively debates and a general good time.

Several from this vicinity turned in beautiful furs during the last week days, but their heads were quite small by the time they reached the fur.

Mr. John Schuurman sent to Edmonton Monday.

John Stadel has been on the job lately.

Herb Lund and family spent Monday evening with Mrs. Stacey.

Mr. and Mrs. Gottlieb Stadel are making their home temporarily with his brother, G. Stadel family.

Mrs. Grace Kanchen, of Bashaw, daughter of Mr. and Mrs. D. Shole, has been very ill, but her reports are somewhat improved.

Toddler plays here this afternoon at the rink at 1:45 p.m.

THE HAPPINESS FLOWER

Did you ever find the Happiness Flower?

It isn't so hard to find; it is all about the morning

Mind.

But it sometimes grows in the sunny

side of the heart of man.

And there in the fields of Perfect

Trust.

You can always find it there.

It's sweet as honey, the Happiness

Flower.

Water and contentment the same.

On the difficult hills by Troch

Tower.

It shines like a may flower.

If you ever find the Happiness

Flower.

And it isn't so hard to find

By the rainbow's end in an

April shower.

Where the tears and the smiles

are twined.

I may flourish first in your garden

And gladden with joy's rainbow.

May the rainbow of love be the

Whole Year Round

Let us hope you may see him

very much sturdier on some

wonderful mound, a beautiful

planting of it may have many op

portunities to talk to him

and to have an appreciation

of the beautiful in literature.

Possibly this appreciation is a

kind of a number of reasons, does

not the first place every young man

and woman finally realize that

there are some in the world who

which there will be no one

which there will be no one

which there will be no one

which there will be no one

which there will be no one

which there will be no one

which there will be no one

Decline in Value for Next Appraisal
Mr. Downing
 The House Committee on Education and Labor today approved a bill to amend the National Labor Relations Act to provide for a decline in value for the next appraisal of a company which has been determined to be an unfair labor practice. The bill, H.R. 3000, was introduced by Mr. Downing, chairman of the committee, and is now being considered by the full House.

ELECTRIC LIGHT TO QUIT END OF WEEK

Chas. Hether Lays Proposal Before Council for Lighting

Minister of special meeting of council held in office of electric light company, on Wednesday, Feb. 16th.

Business—To consider electric light company.

The secretary informed the council that he had been approached by Mr. R. B. Butler, who had instructed him to inform the Council that he intended to quit supplying the village with electric energy from town, and to know what the council would do in the matter.

The council decided to endorse the plan.

As a result a further special meeting was held in secretary's office on Friday with all council members present.

Mr. Charles Hether appeared before the council and stated that he was prepared to quit supplying the village with electric energy from town, and to know what the council would do in the matter.

Personally, I believe, that the council will try to run the company, and we are driving it to the point where it is no longer profitable.

LOCAL AND PERSONAL

R. J. Stubbs is a business visitor in Calgary this week.

Quite a crowd from here attended the Mirror sale yesterday.

Mrs. D. Ross, of Stettler, is the guest of her daughter, Mrs. C. P. Puffer.

Bill Ainsley had the misfortune to lose a valuable one which died on Friday last.

Born—To Mr. and Mrs. G. P. Puffer on Monday, February 29, 1921, a son (still born). Mrs. Bold, H. Philip and little daughter returned from a trip to Edmonton on Saturday last.

Mirror and Bashaw hockey game on Monday afternoon, here called at 6 o'clock.

Quite a few are talking of taking in the Calgary-Edmonton hockey game in Edmonton tomorrow night.

February weather has given us the longest cold spell of the winter. Few will be sorry to see the end of the month.

Utah Orchestra, Bashaw, open for engagements, raises reasonable for dances, parties, etc. see Mr. Burns at Star office.

We understand Messrs Smith and Gardiner have rented the butcher shop belonging to H. E. Ledges and will open a shop there soon.

Rev. A. D. Richard, of Medicine Hat, stop off here Tuesday on his way to Edmonton and spent the day with his brother-in-law, Jas. A. Lane.

For Sale—2 dozen Arcana Polaris, \$1.50 each. A few Ross Comb Rhoes (about 100) \$1.25 each. Apply John W. Dolch, Phone 3211, Bashaw.

Billy Goble has opened his cleaning and pressing business in the building next to Pearson's.

Jack Wick had the misfortune to get his left hand caught in a circular saw and had the first two fingers pretty badly mangled.

It is believed that they can both be saved.

Comfortable Crosby spent several days of last week attending court at Watrous. He had two on his life.

Raemers' Linoleums

FOR EVERY ROOM IN YOUR HOME

For Your LIVING ROOM

Carpet patterns and colors. The meeting place for family and friends. What is more suitable than our Linoleums? It is artistic, wears well, and is easy to keep clean. Will harmonize with any type of furniture or woodwork. We have a large stock from which to make your selection.

Transfer Your DINING ROOM

—into a source of pleasure by using our Linoleums. Modern housewives realize that Linoleum is a clean, sanitary and durable floor covering and are more generally using it all over the house. Come in and see the unusually attractive patterns we have.

Ask Your Wife About Her KITCHEN

—which bothers her most when doing the dishes, cooking or scrubbing floors. Then consider a bright, cheerful, crackless floor that is easier to clean than washing dishes. Our Linoleum will reduce the work by half. Ordinarily just the mop will clean them.

In Your BEDROOM

—we easily kept clean as it should be. We have a variety of patterns suitable for bedrooms; patterns that make possible rooms at small cost. See our display, or better still bring the measurements and let us give you an estimate.

U.F.A. BANQUET SET NEW RECORD

One Hundred and Fifty Guest Attend—Talent List Lengthy

The U.F.W. banquet at Moose day night in Lofra hall was attended by one hundred and fifty guests who crowded the festive board and that one and all had a real good time was evidenced after a glance over the hall. The U.F.W. was sumptuous and festive was done by the large crowd present, needless to say no one was allowed to go hungry. At the conclusion of the remarks the following program was carried through under the very able direction of Geo. A. Walls: Our King and Country—Robert H. Phil; Response "O Canada."

Mr. Phil's address was an education to all who attended. Our native born and it is to be hoped that this time will in future receive more attention than it has been accorded in the past.

Wells certainly put the house in good humor for the speakers to follow, his wit and stories bringing rounds of laughter.

Song—J. A. Marshall.

Rev. Mr. Hinkins is replying to this toast dealt with the vast amount of good accomplished by the C.F.A. since its organization not alone for its own sake, but for that of all and trusted that its future would continue bearing fruit of greater good.

President Skode in reply outlined the growth of the organization, its aims and objects and produced many proofs of the work of the past that were a revelation to many present, closing his address with the hope that the year would see greater

This being the occasion of the wedding of Princess Mary and Viscount Lascelles, a very fitting tribute was paid the Royal Princess by both Messrs Stubbs and Marshall, the latter taking occasion to speak a word on patriotism.

Song—J. A. Marshall.

The town—this toast in the capable hands of Menara Scott and Fagen was exceptionally well handled, many never realized before the advantages they have right at their very doors.

**Number Has Decreased 17 Per Cent,
in Nine Months**

London. — London traffic has decreased by 17 per cent. during the nine months ending in March, according to the latest figures issued by the London Transport Executive.

The decrease is attributed to the fact that the number of people travelling by public transport has fallen by 17 per cent. since the outbreak of the war.

The number of people travelling by public transport in London in the nine months ending in March was 1,100 million, compared with 1,300 million in the corresponding period of 1939.

ing the design team. It already knows how to make a plane, but it's not sure it can regulate the growth of the craft in the multi-national marketplace, says one of the investors, who's named the deal at 21 percent the input of eight angels and the destruction of the world's largest subsidized airline.

General Peltzer expressed no opinion on the basis of the technology as it is, but he said he would be in a good position to make a judgment on the value of the aircraft in the future.

The plane has been designed to be able to fly at 1,000 miles per hour, and the team is now working on the engine. The plane is expected to be ready for flight in 1990.

PLEASURE IN EARNING
Passed by "The All-Right"
Lester G. L.

"What a wonderful thing it is to be able to earn money in your spare time, and to be able to do so in a way that is so pleasant and so profitable. I have found that the only way to do this is to invest in the right kind of business, and to do so in a way that is so pleasant and so profitable. I have found that the only way to do this is to invest in the right kind of business, and to do so in a way that is so pleasant and so profitable."

Headaches Gone

Perhaps you can imagine what the pain is to one who has suffered with headaches. It is a pain that is so common, and yet so often neglected. It is a pain that is so common, and yet so often neglected. It is a pain that is so common, and yet so often neglected.

My dear friend and neighbor, I have found that the only way to do this is to invest in the right kind of business, and to do so in a way that is so pleasant and so profitable. I have found that the only way to do this is to invest in the right kind of business, and to do so in a way that is so pleasant and so profitable.

MAY FIRST SET AS A CLEAN-UP DAY

Citizens Asked to Help Bashaw Gathered in House—Bashaw Supplied Free that Day

Clean-up day will be observed in the village this year on Monday, May 1st and the Council requests that all citizens made it a point to have their yards cleaned up and the rubbish, etc., all put in such a manner that drays for which arrangements are being made can remove the same on that date, otherwise citizens will have to make their own arrangements for draying and coal.

A five year lease of a piece of land from C. Nixon for dumping ground has been made by the Council and as this is handy to the town it will relieve the present unsatisfactory position of having no suitable grounds on which to dump refuse.

UPON CHURCH NOTICES

Rev. Geo. A. Hipkin, B. A., Pastor

At 11 a.m. the Bible school will meet, the other classes will discuss "The woman who thought she had murdered all her grand children and what came of it." Read the story in II Kings 11 and then come and discuss it with us.

7:30 p.m. the Pastor will preach, subject "When the Unrepentant Christ was Impotent." For the boys and girls, "Love and Law." Students, old friends and new, all are invited to the "Anger's sobbath house." The Pastor gives regrets that, owing to his own sickness covering a period of six weeks he has been unable to visit his people in this time of sickness and distress. It is hoped that the spring will bring renewed health and strength to us all.

DEATH OF BABY LANDON

On Thursday evening, March 30th, the infant daughter of Mr. and Mrs. Len Landon passed away. Although never very robust, it was a great shock to parents and friends for, without criticism it is on several occasions she had rallied and it was hoped she would do so again. But this time, the spirit fled from her frail frame.

The funeral services, both at the home and the funeral home, were conducted by the Pastor, who will hold the funeral service at 11 a.m. Saturday afternoon, April 9th, from 2 to 5 p.m. All mourners are requested to meet at the home with secretary of St. Michael's lodge without delay.

EXTEND REDEMPTION TIME TO MAY 1ST, 1932

Edmonton, March 31.—Important provisions in the new Tax Sale Relief Act, just passed by the Legislature, which permit for extension of time for redemption of crown lands for sale on taxes, are called to the attention of residents of the music palities.

Under this new act, the time for the redemption of all lands included in plans registered in the land office offices, and all lands included in the corporate limits of towns and villages, has been extended until May 1, of this year. In this connection, the secretary-treasurer of a town or village, or municipality is requested to publish a notice to this effect twice in a publication in the district or in one which has a general circulation in the district and to call attention to the fact that lists of these lands are in arrears can be prepared from him.

In the case of farm lands which were included in the 1929 tax sale, the time for redemption is extended until Nov. 1st next and the procedure in this connection is outlined in the new act in the case of cities, the same procedure applies as in the case of towns and villages.

BASKETBALL CHURN PARTY

All work and no play makes Jack a dull boy and a truck ride is a good cure for the blues, as a number of young people motor out to Mr. and Mrs. T. C. Schmitt's home for a "churn party." Mr. Holt drove and did not manage to spill any one of the twenty-four and only one or two minor accidents occurred. The evening was enjoyably passed and it was a most successful affair. Lunch was served at midnight by the basketball girls.

SCHOOL PICNIC IN JUNE

Watch for the announcement of the combined school picnic and sports to be held by Bonnie Pratt, Perry and Schultz schools districts on or about June 7th. Any other school in the vicinity who would like to join in a real big picnic will find day commencing with J. A. Davison, Bashaw.

BASHAW ON RAY, APRIL 15

A banner under the auspices of the Women's Institute will be held in Lyric hall on Monday evening, April 17th, starting at 8:00 o'clock and ending at 10:00 p.m. provided for the occasion and a good time is assured. Tickets \$2 including supper.

IN THE LEGISLATURE

The first session of the legislature was brought to a close on the 17th of March, when the Lieutenant-Governor prorogued the house. It is expected that the short fall session will be held to deal with the matter of the income tax.

A total of 98 bills was passed during the session. The same number of bills larger in number than formerly, but this year the number passed during the session. The same number of bills introduced many of the amendments as separate bills instead of grouping them in the one bill known as the Statute Law Amendments, which was generally the custom in the past.

During the last hours of the session, a dispute occurred on the first reading of the act, to provide a tax on gasoline, which resulted in a vote of 10 to 9 for the act. The act imposed a tax of two (2) cents a gallon, to be collected from the first day of April, 1932. The southern Alberta relief act was passed through, an amendment being submitted by the attorney general limiting liability of farmers for stock, twine and labor to be otherwise the same as for year 1931.

It was brought before the assembly for consideration the act to amend the act relating to the rates of the electric light and power companies. The act provided that the electric light and power companies should be allowed to increase their rates for the electric light and power from \$10.00 to \$12.00, \$14.00 to \$16.00, \$18.00 to \$20.00, provision was made against any wholesale influx of chiropractors into the province, and it was possible for resident chiropractors to secure interim licenses for the year 1932. The act of the university, on production of evidence that they are graduates of recognized chiropractic schools and holding their certificates, may do so.

Look Towards Canada

Many American Farmers Can't See To Take Up Land In Canada

Editorial: The Canadian Government has been making a great deal of effort to attract American farmers to settle in Canada. It has been doing this for many years, but the results have not been very satisfactory. The reason for this is that American farmers are not interested in settling in Canada. They are not interested in the land, the climate, or the people. They are not interested in anything but making money. They are not interested in anything but making money.

A vintage advertisement for Magic Baking Powder. On the left is a tall, rectangular sign with a wooden frame. The top of the sign has a small flag with a maple leaf and the words "CANADIAN MADE". The sign features a large image of a Magic Baking Powder tin can. The can is cylindrical with a label that reads "MAGIC BAKING POWDER" and "HEWLETT'S NO. 1". To the right of the sign is a large, dark, arched banner with the word "MAGIC" in a stylized font at the top, followed by "Baking Powder" in a smaller font, and "BAKING POWDER" in large, bold, white capital letters at the bottom. Below the banner is a paragraph of text in a serif font. At the bottom of the advertisement is a small rectangular box containing the company name and address.

LOCAL AND PERSONAL

July 1st—Dominion Day—fall this year on a Saturday.
R. R. Zachary has erected a garage at the back of his home.
Miss Babel, of George district spent Sunday with Mrs. R. E. Zachary.

The twenty-four hour telephone service taken effect on the first of June.

About twenty golfers from the Wetaskiwin club were guests of the local club yesterday.

We understand J. R. Whitney of Lacombe will locate here and carry on an auction.

Born—To Mr. and Mrs. E. E. Cranston on Thursday, May 18th, 1922, a daughter.

The brick work on Turvey and Pearson's street was completed on Saturday last.

Mr. and Mrs. Stanley Cunningham, returned this week from a motor trip to Ribbald.

Last—Fair driving gymnasts at the Golf links on Sunday, and please leave at Star office.

Mr. Paulsen is erecting a residence on the lots next to the new garage on Longwood street.

Mrs. McGillivray of Edmonton, is visiting Mrs. W. W. Scott and other relatives in this district.

Mr. and Mrs. Pates were visitors over Sunday at the home of Mr. and Mrs. Geo. Hunt near Wetaskiwin.

The Beshaw Bakery is installing a 10 inch electric fan which should be in this week. This is the first of its kind in town.

Henry Tisdale and Bennett contractors, of Red Deer, were in town on Friday last in connection with the school contract.

Mrs. Jas. A. Lane returned from Camrose on Friday, where she attended the district meeting as delegate of the Union Church.

Arrangements for the Dominion Day sports here on July 1st are now well under way and the committees promise a real afternoon's entertainment.

Harry Bell completed painting the Creamery last week and is now giving the Star office a much needed brightening up—its no before it needs it.

Wheel seeding throughout the district is nearing completion for this year with many fields now sown and looking fine. While weather conditions are excellent and the outlook most promising for 1922.

Tenders for the construction of 1.47 miles of railway connecting the C.P.R. and C.N. railways at the Battle River south of Camrose is now being called. The high bridge across the Battle River may be a thing of the past before another year rolls round.

Many indications of Post at Wa's

to believe in information

"I don't believe there is a farm

where twenty miles of here (the

best post grasshoppers," said

W. Scott, former of Lacombe

M.D. and co-owner of the

while Dr. Hunter of division 4

was equally as emphatic

The grasshoppers have

developed at an amazing rate in

the past week to become set by

reporting of finding them in the

and about their own places and

as a result definite plans are being

Donald and Alex who are meeting

through the securing of bait at

stations are already in operation.

The first reports of "hoppers

in large numbers come from the

farm of McKinnon Tuesday of

last week, since then the reports

have become more general with

the passing of each day.

Concussion are being through

their divisions variety of the

and it is important that each

farmer examine his farm as soon

as possible and investigate how

it is affected with the pest.

He should examine the short grass

and in so doing and one of two

and if possible to locate the

the areas where he finds the most

and save time and energy

as well as being able to

while last week some of the

will need. The hopper

is a small insect of local

with a white ring around

the neck, and can be

if seen in the field. It

there. The next week, for

and farmers are urged to

on the lookout to see that

they do not spread to the

harmful species of grasshoppers

last year. We would advise

that the speaker will be Mr. M.

have read Edmonton, this is a

of the two-striped grasshopper,

between infested and

are very abundant, to

which the grasshoppers

spread all they way

hatched and can be

with a single application of

oil. We would strongly

all farmers who

last but to watch these

very carefully from now on.

This applies especially to

our observations show that

they are more likely to be

infested, and may contain

grasshoppers to set

the eyes before it is

entirely. Both fields may

be infested. When

to 30 lb. of bait it is

needed for an acre of land and

should be scattered in strips

at 30 ft. intervals.

WIFE'S LITTLE HOME
Within a little garden plot, a wife can make a home for herself and her children. To teach the household linen is a woman's duty.

A woman's home is a woman's duty. To teach the household linen is a woman's duty.

And in the kitchen, the heart of the home, the wife should be a help to her husband. To teach the household linen is a woman's duty.

As the wife of a man, she should be a help to him. To teach the household linen is a woman's duty.

A Debt We All Owe Ourselves

You owe it to yourself, your family and the community in which you live to be a better man. Every man, whether young or old, owes to the world a debt of honor and respect.

YOU ARE MAKING THE NECESSARY PLAN? To improve on your habit, have you decided exactly what you want? Is there some way in which we can assist or help you to plan the model home you have in mind?

NO ONE IS SATISFIED WITH MERELY EXISTING. Every man, woman and child has an ideal of the home environment, and it is the duty of the architect to make that ideal a reality.

RAINS PAST WEEK IMPROVED CROPS

Drugs Now in Excellent Shape

The rains of the past week have made a vast improvement in the condition of all crops and particularly those of late sowing which are showing rapid growth.

Early son wheat is beginning to head out in some places which means small heads, and a short yield, though grain may grade high. However, as stated before, this is not general and while spread over a wide area, the acreage is small.

Oats and barley both show a good growth and are of a fine color. Pasture lands are picking up rapidly and there may yet be a fair crop of hay, though haying and harvesting may run together.

As in all the outlook has im-

**WEDDING OF POPULAR
YOUNG FLEET CAPTAIN**

A quiet wedding was solemnized at Wetaskiwin on Wednesday last, June 28th by the Rev. Mr. Irwin when Miss Jessie Elva, daughter of Mr. and Mrs. John

IMPERIAL POLARINE OIL

(Light Medium Body) is the lubricant recommended for your Ford.

Body, these are some of the results of using too much oil for your Ford.

(1) Badly worn and bent of parts.

(2) Improper oil distribution.

(3) An overloaded engine.

(4) Excessive carbon deposits.

(5) Unnecessary friction and wear.

(6) Large engine oil.

(7) Rapid depreciation.

(8) Excess fuel and oil consumption.

It is important that you should use Imperial Polarine Oil (Light Medium Body), which is especially adapted to the mechanical requirements and operating conditions of your Ford engine.

Now your crank case cleaned and refilled today with Imperial Polarine Oil (Light Medium Body), and motor oil full of power and efficiency.

FLY TIME

Now is the time to buy Mr. Fly where he belongs (and that is outside), so we suggest a few of the flies for this purpose and to them and Adjustable Window Screens. We also have all sizes in Screen Cloth for fixing up the old doors.

It does not matter how careful you are with your doors and windows, Mr. Fly will get in and torment you, so the only thing that into first class and we have them—Screen—come in and get one and keep the Fly down.

Our stock of Hardware was never complete, and a full line of Colman, Brown, and other tools.

O God Our Help in Ages Past

By Isaac Watts

This has been called the great hymn of the English speaking world.

O God, our help in ages past,
Our hope for years to come,
Our shield for mortal threats,
Our God, our strength in days of old,
Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,
Be thou our Father, Father of the Lord.

Be thou our Father, Father of the Lord,

LADIES' ALL WOOL Bathing Suits
 NO TWO ALIKE

This is the time of year when one thinks seriously of
 a holiday at the lake and a holiday at the lake with
 out bathing is out of the question. Quite naturally one
 looks first to the consideration of a suitable bathing
 suit and it is right here that we can supply your
 needs in this particular line.

Ladies' All Wool Bathing Suits in a wide range of
 colors and patterns, in two suits and in size of
 38 to 40. Not only are these suits attractive in color
 and design, but the quality of the goods assures service
 as well. We invite your inspection of these.

A WAIST FOR BABIES Little Wonder Junior

A Mother Designed It

Little Wonder Junior is a Waist for Babies—a
 waist thought of by a mother who was tired of mending
 shirts torn and ripped by diaper pins. Her idea was
 to make a waist that would support both bone and diaper,
 a waist that would form a nice warm for the baby
 in winter and take the place of a shirt in summer.

Little Wonder Junior is constructed of fine cambric,
 it is strong, durable and very easy on the skin. The
 made of double thickness cambric, the edges tested, the
 pin-holes embossed so that they can never tear.

They come in two sizes—No. 1 is for the very small
 baby—No. 2 is a bit larger, for the baby who is being
 weaned away from the diaper and wears "nappies" on
 their bottom. There are buttons on the button "nappies"
 to support them.

Both sizes have four tabs, with embroidered
 holes, to support both the diaper and the loose—
 an individual garment suitable for children.

SURE-TIE BINDER KNOTTER 45

The Knotter that Never Misses a Tie—The Sure-Tie Binder
 Knotter automatically adjusts itself to any size or
 diameter of wire. With modern tools, it makes a
 perfect knot, even with double strands. It dis-
 charges a knot of double twist, and easily and quickly
 makes a knot of single twist. A yield in jaw automatically
 makes an even knot. **NEW INVENTION GUARANTEED.**

A WAIST FOR BABIES

Little Wonder Junior

A Mother Designed It

Little Wonder Junior is a Waist for Babies—a waist thought of by a mother who was tired of mending shirts torn and ripped by diaper rash. Her idea was to make a waist that would support both back and diaper, a waist that would furnish extra warmth for the baby in winter and take the place of a shirt in summer.

Little Wonder Junior is constructed of fine cambric, it is strong, reinforced at every seam, the four tabs are made of double thickness cambric, the edges taped, the pin-holes embroidered so that they can never tear.

They come in two sizes—No. 1 is for the very small baby—No. 2 is a bit larger, for the baby who is being weaned away from the diaper and wears "nappies" on s/he occasions. So there are buttons on the larger size to support those "nappies."

Both sizes have four tabs, with embroidered pin-holes, to support both the diaper and the blouse—sewed in an individual pleated envelope for cleanliness.

The accident occurred at Nations' City. The other car sped on without effecting aid.

According to Thompson, the other car was running from the direction of Nations' City at a high rate of speed and driving on the wrong side of the road. The driver drove out into the ditch on the right hand side of the road, but even in this position the other car struck his machine and it rolled over several times with its three occupants gone. It finally came to a stop in a ditch on the side badly wrecked, but with the engine still running. While was able to crawl out of the car and shut off the power—Evaning, Tucson, San Diego, California.

Bill's many friends here will be glad to hear that he came through without serious injury. It is hoped that he will be able to return to his home in a few days.

CHAUQUAQUA DREW CROWS EACH DAY

Attendees: This Year, Margaret Any Former One—Committee Experts to Ideas, Even.

Tonight's program will close the four days Chauquaqua drew crows which opened here last Saturday afternoon last. During the four days they have drawn large crowds to all performances and particularly to those in the evening when standing room was at a premium.

The program as a past year has followed that of entertainment and instruction has been arranged as to provide maximum interest to everyone, both young and old.

The local committee are endeavoring to draw a prize in this line. They have not only made a list of the Chauquaqua, but will also draw the names of any former attempt, but they have worked hard and therefore deserve greater credit.

THREE DEAD IN CAR FORCED OFF ROAD

Returning to their home at Nations' City last Sunday, Mr. and Mrs. J. R. Marshall, who were on their way to the lake, were forced off the road by a car which was driven into the ditch on the right hand side of the road, but even in this position the other car struck his machine and it rolled over several times with its three occupants gone. It finally came to a stop in a ditch on the side badly wrecked, but with the engine still running. CHAUQUAQUA DREW CROWS EACH DAY

Attendees: This Year, Margaret Any Former One—Committee Experts to Ideas, Even.

Tonight's program will close the four days Chauquaqua drew crows which opened here last Saturday afternoon last. During the four days they have drawn large crowds to all performances and particularly to those in the evening when standing room was at a premium.

The program as a past year has followed that of entertainment and instruction has been arranged as to provide maximum interest to everyone, both young and old.

The local committee are endeavoring to draw a prize in this line. They have not only made a list of the Chauquaqua, but will also draw the names of any former attempt, but they have worked hard and therefore deserve greater credit.

THREE DEAD IN CAR FORCED OFF ROAD

Returning to their home at Nations' City last Sunday, Mr. and Mrs. J. R. Marshall, who were on their way to the lake, were forced off the road by a car which was driven into the ditch on the right hand side of the road, but even in this position the other car struck his machine and it rolled over several times with its three occupants gone. It finally came to a stop in a ditch on the side badly wrecked, but with the engine still running. While was able to crawl out of the car and shut off the power—Evaning, Tucson, San Diego, California.

Bill's many friends here will be glad to hear that he came through without serious injury. It is hoped that he will be able to return to his home in a few days.

UNION CHURCH SERVICES

Prayer, Aug. 3. 8:15. Bible school. Topic: "The Church and the World." Discussion of the rendering of the Lord's Supper. Communion and study. Interesting subject with us. Bring along the boys and girls.

7:30 p.m. subject: "The Christian's Duty." Worship with us a brief, brief service.

BATHING SUITS

TAMARAC OR CEDAR POSTS

We have just unloaded a car of the best Tamarac Posts ever shipped into Bashaw in 7-10-10 and 14 foot lengths. Extra large ones for corner and corner purposes.

Three Fly Vimmer Board

We have just received a shipment of Vimmer Board. For roofing or repairing old shingles it has no equal. Its beautiful resilient makes it a most handsome finish. We have a limited supply which we are offering at the special price of 12 cents per square foot.

If you need anything in the building line see us—we can save you money on a first class building material.

PALS

A little lad is known, with eyes of blue,
Climbs to his mother's arms and
cuddles down.

At evening twilight, meeting
mine for mine,
And smiling: "Can't we be
a little while?"

Now don't you reckon when he
grows to be
As old as I, perhaps, as I am
now?

He'll be a pal with having, with
his smile,
And with that "Can't we be
a little while?"

—Gertrude Louise Small

A little more talk would
wonder in the case of many
marriages. It is impossible for
any human being to be perfect in
the eyes of another. He is bound
to have customs and mannerisms
that are annoying, particularly
to the person into whose society
he is constantly thrown.

Now if two people who make
up the marriage contract with a
happy and peaceful life, they
have to be the one of a little and
and very, they will find out
what particular habits he has
which the other does not like.
If they are harmful habits, the
best thing he can do is to give them
up.

However, many times we talk
a distress, which is not a
distress in another which should
be either harmful or of no
benefit. The dislike is just
misunderstanding by our own
foolishness.

—From an exchange. If John
that the wife must stop playing
cards or going shopping. I wish
her, however, that she should turn
home, it will give the lady
a little rest and make a great pleasure to know his black
show of every game all night on it.

Defers can be arranged at
Star Office or phone me at
my apartment when in need of
an Assistant.

Beforehand. These for whom
I have worked.

BRITAIN PREPARED TO FIGHT FOR FREEDOM DARDANELLES

London, Sept. 15.—The British government has adopted the attitude that the offensive and successful freedom of the Dardanelles is a vital necessity for the sake of which it is prepared to make sacrifices, it was said in a statement issued this afternoon.

During the past week the British cabinet has continually been the approach of the Turkish Nationalist forces to Constantinople and the Dardanelles and the demands made by the Ankara government.

The British government holds that these demands, if assented to, would involve the entire loss of the results of the war.

The British government holds that these demands, if assented to, would involve the entire loss of the results of the war.

G.W.A. NOTES

Comrade Bering is to be the speaker in the appearance of the G.W.A. building. In spite of the drought has quite as cheerful mood of doers and shivers.

There are only a few more weeks in the library and now that the days are getting shorter any one who is not yet ready to read would be well advised to visit the library at once.

Last Wednesday meeting was very well attended and the speakers are that the interest in the club is at its peak.

Look out for the Armistice. There will be a parade in the city on the 11th of November.

A supply of papers has been ordered and will be on sale to meet before Armistice Day.

PYM BROTHERS INTRODUCE NOVELTY AT COMING SALE

Something new is the crux of the business and the new

tended to sales. Pym Brothers have hit upon a novel scheme, now at least in this district.

The first premium is a two-year-old pure bred registered Hereford bull. The second is a pure bred Hereford steer. Third 4 tons of hay and Fourth \$5 bush of oats. While in connection with the sale of household goods three prizes are offered in the cash sums of \$15, \$10 and \$5.

A complete list of the sale together with the premiums and conditions will be found on page six of this issue.

GRAIN GRADING HIGH

In a season like this, when the wheat yield in various portions of the province is not uniform and when the prices for grain are not as high as the producers would wish, a measure of satisfaction can be found in the fact that the wheat is grading high this year. Since the beginning of the shipping season, the Can-

Canadian Pacific railway reports up to Sept. 27th/10, 151 carload through Winnipeg, 75 per cent of which graded No. 1 Northern or better, 85 cars grading Manitoba Hard. The Canadian National railways are moving forward through Winnipeg 1,000 cars of grain per day.

NO ASSISTANCE GIVEN

The department of Agriculture

has decided that no special assistance will be given this year for live stock and grain exhibitors who wish to show at the forthcoming International Exposition in Chicago or at the Royal Show in Toronto. This action has been taken in view of the need for economy.

Special Care of Baby.
That Baby should have a bed of its own all are agreed. Yet it

is more reasonable for an infant to sleep with grown-ups than to use a man's medicine in an attempt to regulate the delicate organism of that same infant. Either practice is to be shunned. Neither would be tolerated by specialists in children's diseases.

A baby's stomach when in good health is too often disarranged by improper food. Could you for a moment, then, think of giving to your *aching* child anything but a medicine especially prepared

Make a mental note of this:—It is important, Mothers, that you should remember that to function well, the digestive organs of your baby must receive special care. No baby is so abnormal that the desired results may be had from the use of medicines primarily

Meeting Re Rink Poorly Attended

Flourish being observed on Grand and Levee Street on Monday.

Only a very few attended the meeting Monday night to discuss matters to be taken up at the winter and it was finally decided to secure a piece of ground and leveling of the present rink and putting on the first coat of ice.

It was the feeling of the meeting that every effort possible be made to furnish a rink for the children and young people of the town during the coming months.

PLEASE TEA is good tea

Booiled makes you enjoy life

Canada's Place In The World

For the first time in the world, a tea is being produced in Canada. It is the result of a long and arduous search for a tea that would be as good as the best of the world's teas, and at the same time, be produced in Canada.

It is a tea that is made from the leaves of the tea plant, which is grown in the mountains of the Canadian Rockies. It is a tea that is made from the leaves of the tea plant, which is grown in the mountains of the Canadian Rockies.

LOCAL AND PERSONAL

Thanksgiving, Monday, Nov. 6. Xmas—2 months from today.

But Brown spent a few days in Edmonton the past week.

Mrs. J. Willson spent a few days in Calgary the past week.

Mrs. G. D. Atkin is visiting friends in Edmonton this week.

George Ruff was a business visitor in Edmonton on Monday.

John Heller, who purchased the hardware business of Geo. Ruff, took possession this week.

Mr. and Mrs. Dave Jarvis and children, of Goshawk, are visiting in the district.

The Vet's will hold their annual Armistice Night Dance on Friday, Nov. 11th.

Miss Hazel Cowan returned home Friday from a week's holiday spent with friends in Saskatchewan.

Mr. and Mrs. E. E. Cranston, and daughter, returned to Edmonton on Friday, returning home on Monday.

Mrs. H. C. Duke returned home on Saturday after spending a week the guest of Mrs. J. Price in Agassiz.

A small shower of rain fell on Friday night, but hardly enough to lay the dust, the storm was however fairly heavy.

Mr. and Mrs. Gus Hume expect to leave next week for points in California where they will spend the winter.

Ralph and Bruce Cowan returned home on Friday last after spending the past summer at points in Saskatchewan.

Jas. A. Marshall was appointed president at the teacher's convention at Stettler last week for the Stettler instructors.

Mrs. R. Burns and children spent a few days in Edmonton last week the guests of her parents, Mr. and Mrs. J. Trench.

Dr. McLeod, dentist, wishes to announce that in future the office will be closed from 1:30 p.m. on Thursday to 2 p.m. Saturday.

As a result of the teacher's convention last week the children of three of the rooms in the local school had a half week holiday.

Armistice Day falls on Friday, Nov. 11th, but is being observed throughout the Dominion on Monday, Nov. 6th, Thanksgiving Day.

Miss Johnston, Mrs. Ritchey and J. A. Marshall attended the teacher's convention held at Stettler last Thursday and Friday.

Don't forget the Minneapolis Dance on Tuesday evening next, October 31st—Halloween—for the members of the Women's Institute.

Numerous flocks of geese are to be found in the district this year, in fact according to witnesses they have never before been so many.

Mrs. Georgia Rosen will hold an auction sale of her farm on the southwest of 31-41-30, on Friday, Nov. 6th. Sale at 1 p.m.

Alex. Sivertsen is auctioneer. Hundreds from many parts of the province are making their headquarters here and working through the district. They report good crops of both wheat and barley.

Simpson Brothers secured 10 geese on a morning shoot at a point north of here. They secured 7 Monday morning and 1 Tuesday morning. One bird weighed 14 lbs.

A large crowd attended the Lumber furniture sale on Saturday. Good prices were obtained for the articles sold, which speaks well for the auctioneer, E. Whitney, who had charge of the sale.

Mr. Wentworth, who has been visiting his parents, Mr. and Mrs. F. J. Neiland and other relatives, left Calgary on his return home to Montana. He was accompanied by Mrs. Bert Wentworth as far as Calgary.

YOUR FALL REQUIREMENTS

As the nights grow chilly and the winds of the cold weather blow. Let's bat the weather man by being prepared.

That cold room could be made cozy and warm by tilting it up with a few sheets of Wall board. An extra room is the size with very little expense. Beaver Board and a few lbs. of Insulation on the walls, saves many a dollar in the winter's cold bills.

While speaking of Cold we have been successful in securing the agency for some of the best:

Cardell Lumber, a splendid burning coal of moderate price.

Andrey Hartman, a coal that is rapidly building up a name for itself as a class first of the Drummer.

Drummond, the old reliable coal of the Drummer.

"BAPCO PURE PAINT"

Why Fall Painting is Best

Because woodwork that has been exposed to the heat of the summer sun is in the driest possible condition, and therefore in the best condition to receive, and hold paint. Good paint and under such conditions will give the longest service and the greatest satisfaction to the user.

BAPCO PURE PAINT is made to stand up under any weather conditions for the greatest length of time. This is why we urge you to have BAPCO put on your HOUSE.

Our Paint stock is complete, let us figure on your needs, while the weather is good for PAINTING.

THE HOME CIRCLE COLUMN

THE PUMPKIN

O fruit loved by boyhood!

When wood-guards were

putting and looms were

falling!

When old ugly faces

were carved in the skin,

Gazing out through the dark

with a candle within!

When we laughed round the camp,

with hearts all in tune.

Our chair a broad pumpkin, our

lute a drum.

Telling tales of the fairy who

traveled the stream

In a pumpkin-shell coach,

with two rats for her team!

Then thanks for thy present—

some sweetest or better!

I've smoked from an oven or

circled a pheasant!

Fatter hands never wrought at

a pumpkin more fine,

Brighter eyes never watched over

its baking, than thine!

And the prayer, which my mouth

has uttered to express

Swells my heart that thy shadow

may never be less.

That days of thy lot may be

lengthened longer!

And the fane of thy work has

a pumpkin-like glow.

And thy life be as sweet, and its

last sunset gay.

Golden tinted and fair, like thy

own pumpkin pie!

—Edith Greenleaf Whittier.

FAITHFULNESS

Whatever happens, never for-

get a friend. When mountain

gather, when sickness falls

on the heart, when the world is

dark and cheerless, the lamp

to try true friendship. They

who turn from the scene of dis-

aster, they betray their hypocri-

cies, and the world is left

without a friend. Judging by the

number of orders received at the

headquarters of the Poppy Cam-

paign, Provincial Command, G

W. A. is not organizing other am-

useous, churches, etc., any asking

to handle the campaign.

The smallest, yet one of the

most important orders received

at headquarters was from an

old lady, the mother of one of

the boys who are left over there.

This old lady writes that her son

is a member of the Red Cross

POPPY DAY

Nearly every citizen in the

province will be wearing a poppy

on Armistice Day.

The cities and towns in the

province of Alberta are respon-

sible for the sale of the poppy

for assistance in the sale

of the poppy for the war.

At the time of the sale of the

poppy, the sale of the poppy

will be double that of last year

and it would seem that as the

11th of November approaches

greater difficulty will be ap-

parent by the staff in need

with the demand for poppy.

A Few Good Goods

YOU'LL NEED DURING THE COMING WINTER

Flash Lamps Use them in your basement in the wood shed, on a trip, in the most convenient and safest light to use

Quick Light Gas Lamps and Lanterns Good light is an necessity during long winter nights and can be had at small cost by using Quick Light Lamps and Lanterns. Light them with a match.

Coal Oil Lamps and Lanterns We have the Colonial style Lamp with brass collar moulded to glass, can't shake.

MARSWELL HEATERS

The best approach of the cold weather naturally turns ones thoughts on adequate heating arrangements and oft times an inspection of the old stove that has done service for so many years will hardly stand the strain of another winter and must be replaced. In the selection of your new heater let us show you the famous Marswell line. These are well made heaters, will burn coal or wood, weigh about twenty pounds more than similar makes of heaters on the market and are built to last a life time. We have a complete range of sizes in stock and at prices that are considerably less than those of last year.

Auto Covers for Your Car

Each day will find a greater need for a radiator cover for your car if you are to avoid unnecessary damage by freezing. A good serviceable cover for your car and at a special price. Come in and see 'em.

Germany Near Collapse
London.—Germany is very near complete collapse, Prime Minister Law told the House of Commons. He declared that this was the only information he could give on the subject of reparations.

Beneath the heaviest burden of dead years,
Of Christmas in the future let us speak
Only with courage, looking for the best—
Only with hope, leaving its faith the real.
Life's day is all too short, that we should seek
To dim its brightness at our own behoof.

And in the present Christmas let me give
AN help From care the suffering to release,
AN soul to share our happiness and grief;
For she is strong enough for love to live

the House of Commons, which all hoped would meet in London next year, and mutually satisfactory arrangements would be reached, the Government's intrusive legislation in particular etc.

The Colonial Secretary said that in the absence of the Prime Minister, he would bring this conversation which had raged for so long, to a close.
